GOVERNMENT FINANCE OFFICERS ASSOCIATION

*Distinguished
Budget Presentation
Award*

PRESENTED TO

**City of Lenexa
Kansas**

For the Fiscal Year Beginning

January 01, 2022

Christopher P. Morill

Executive Director

The Government Finance Officers Association of the United States and Canada (G.F.O.A.) presented an award of Distinguished Budget Presentation Award to the City of Lenexa, Kansas for its annual budget for the fiscal year beginning January 1, 2022.

In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan and as a communication device.

The award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to G.F.O.A. to determine its eligibility for another award.

ACKNOWLEDGMENTS

This document was prepared by a team of City staff members who worked enthusiastically, with pride and dedication, to provide a meaningful, useful document for the benefit of the citizens, the business community and the City of Lenexa organization.

We recognize the **Management Team** and their staff for assisting with the preparation of this document and their contributions to the budget process. The members of the **Finance Department** and **Communications Department** are recognized for their significant contributions in the preparation of this document.

FORM OF GOVERNMENT

The town of Lenexa was platted in August 1869 and became a city of the first class on December 1, 1980. The city operates under a Mayor-Council form of government with the addition of a City Manager. The Mayor is elected on an at-large, nonpartisan basis and serves a four-year term.

The eight City Council members are elected (nonpartisan) by ward and serve four-year terms of office. An election for Council members is held every odd-numbered year, with one representative from each of the four wards being chosen at each election.

The City Manager is appointed by the Mayor and City Council as the chief administrative officer of the city and is charged with the efficient and effective administration of the city.

VISION

The City of Lenexa: Leaders in the delivery of exceptional public service.

MISSION

To provide exceptional service through a team of dedicated professionals working in partnership with the community.

VALUES

Make every decision with integrity.

Deliver results through teamwork.

Provide exceptional service.

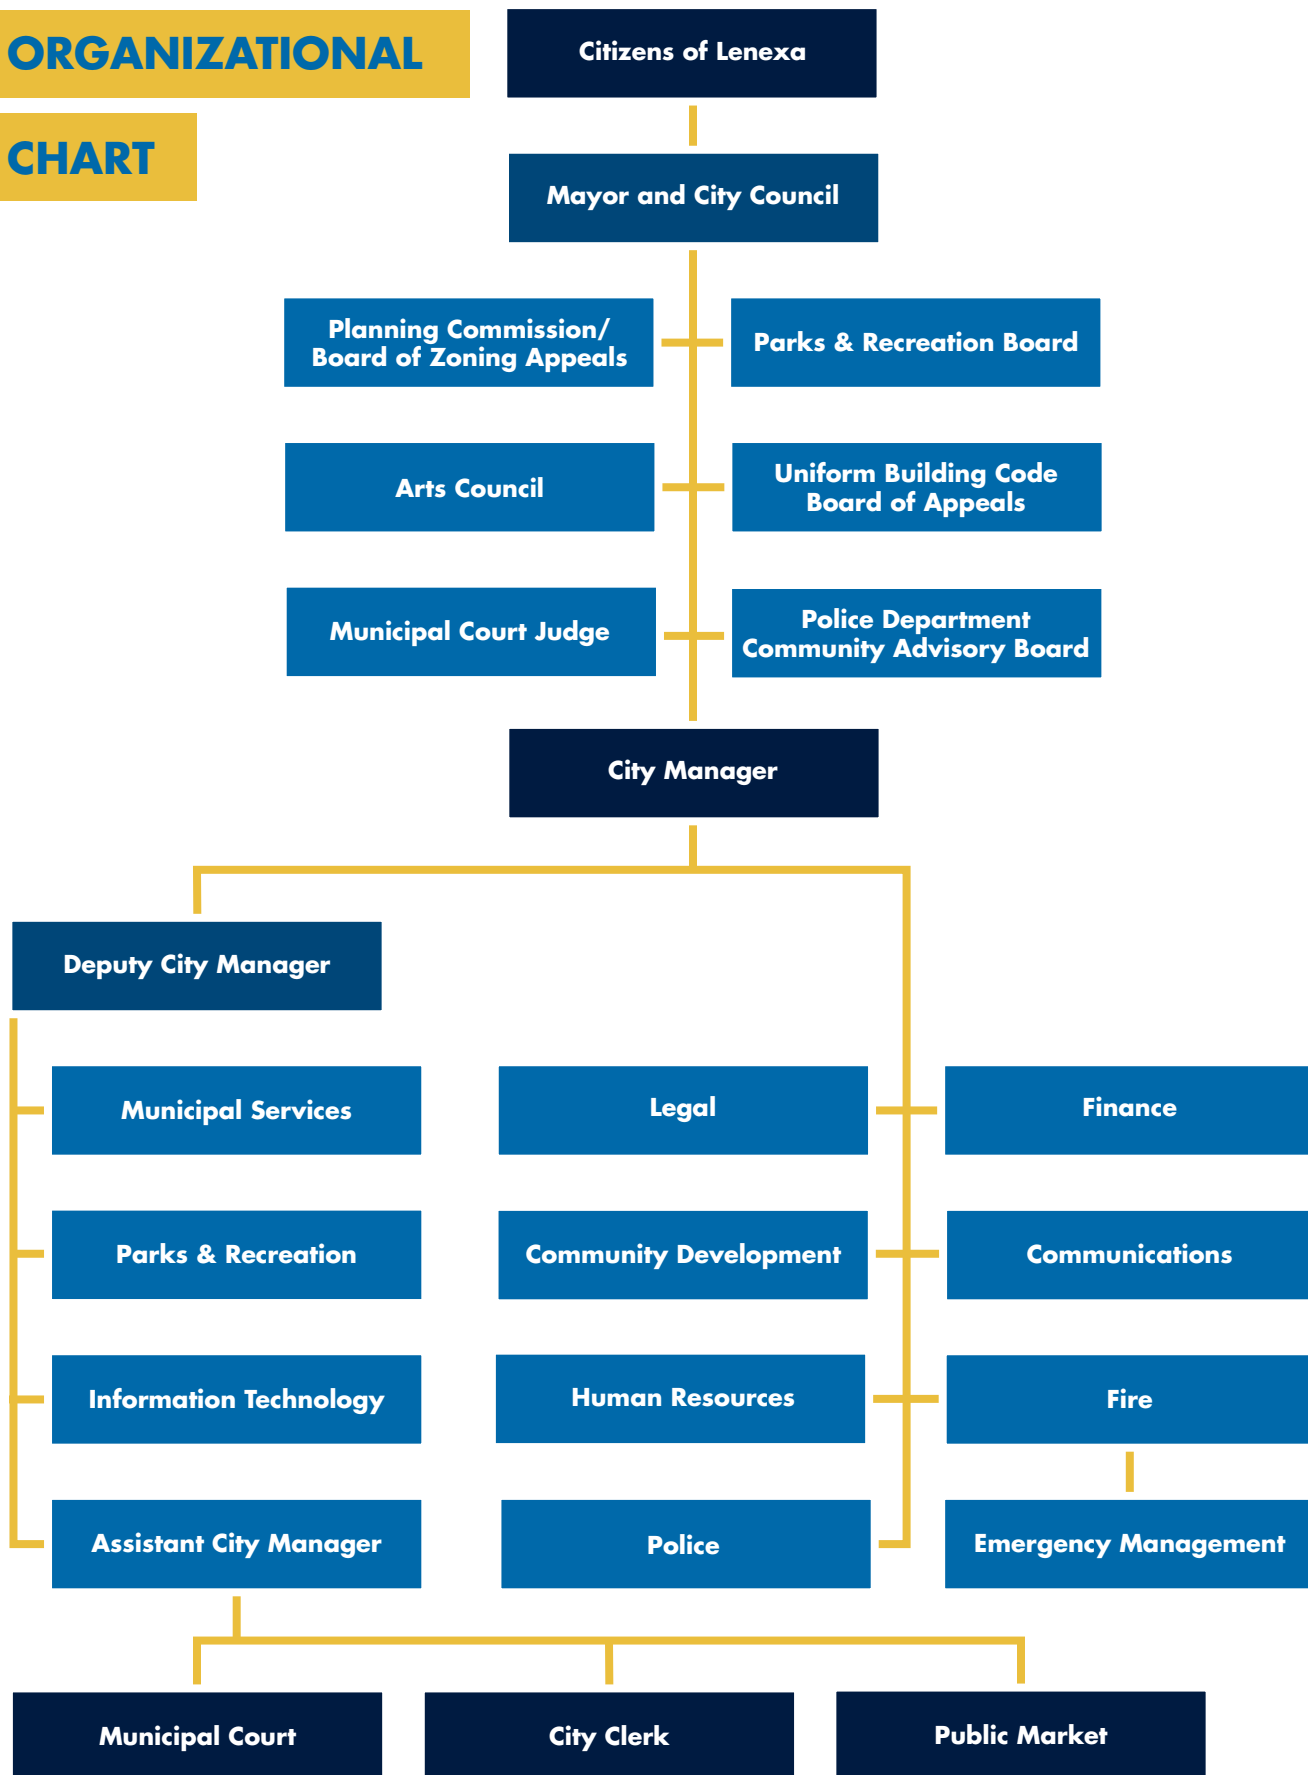

Lead into the future with vision.

Be dedicated to excellence.

We care.

BUDGET MESSAGE

Date: June 28, 2022

To: Members of the Governing Body

From: Beccy Yocham, City Manager

I am submitting the recommended budget for fiscal year 2023 which will be presented at the June 28, 2022, City Council Committee of the Whole meeting. The budget communicates the City's plan on allocating resources to provide exceptional services to the residents and businesses of Lenexa.

Moving Forward after COVID-19

Currently, we find ourselves in a unique moment in history coming out of the COVID-19 pandemic. The economy has produced record revenue due to the housing market boom and high consumer spending. The City has experienced double digit growth in property valuations along with record revenue from sales and use tax collections. At the same time, however, there are signs that an economic downturn, or possibly a recession, is looming. To help curb inflation that has not been seen in over 40 years, the Federal Reserve is expected to aggressively increase interest rates. This will likely cause an economic slowdown in the near future.

Financially, the City continues to excel with positive financial results in fiscal years 2020 and 2021 (and projected positive results for fiscal year 2022). These positive financial results confirm the City is on the right track by continuing to follow these longstanding budget principles:

- Funding on-going operating expenditures with on-going revenue sources.
- Using one-time revenues for one-time expenditures (capital projects, for example).
- Maintaining sufficient reserve balances to address unforeseen events like the Great Recession and COVID-19.
- Using a conservative approach to revenue estimation.
- Preparing and funding equipment replacement and building maintenance schedules.

By adhering to these budget principles, the City continues to maintain the best possible credit ratings (Aaa and AAA) on our outstanding general obligation bonds and a structurally balanced General Fund in all five years of the multi-year financial model.

Guiding Principles

In 2021, the Governing Body updated the guiding principles (previously called strategic goals) for the City government. The guiding principles set the expectations for City services and help direct the allocation of resources in the budget to provide these services. The guiding principles are:

Superior Quality Services: Ensure that services are provided efficiently and effectively in ways that create a safe, clean, and attractive community for residents, businesses, and visitors.

Prudent Financial Management: Provide exceptional value in public investments by committing to structural fiscal balance in operational and capital activities while upholding transparent finance and budgeting processes.

Strategic Community Investment: Purposefully invest in high-quality infrastructure, facilities, programs, and initiatives across all areas of the community.

Extraordinary Community Pride: Celebrate Lenexa's history and reputation as a visionary community and use that heritage to instill future generations with the pride that is reflected in the city's public places, plans, programs, and people.

Inclusive Community Building: Enthusiastically engage the public in community initiatives and visioning, including intentionally seeking input and ideas from a diverse assembly of stakeholders.

Responsible Economic Development: Fortify the City’s economic base by encouraging high-quality private development as well as fostering economic opportunity through thoughtful planning processes and the judicious use of economic development investment programs.

Sustainable Policies and Practices: Lead by example in implementing sustainable and resilient practices where financially and operationally practical as well as enact community-wide policies and strategies that motivate both residents and businesses to do so when reasonable.

Values-based Organizational Culture: Create an organization that reflects the community’s diversity and fosters a superior culture by employing, supporting, and rewarding professionals who make decisions with integrity, deliver results through teamwork, provide exceptional service, lead into the future with vision, are dedicated to excellence, and who truly care about Lenexa.

We discuss the guiding principles in greater detail and illustrate how they link to each department’s objectives later in this document.

Fiscal Year 2023 Budget Priorities

In preparing the fiscal year 2022 budget, staff assumed the COVID-19 pandemic would be a short-term financial disruption with a negative impact on City revenues in fiscal years 2021 and 2022. As a result, staff prepared a conservative budget for 2022. Overall, the City’s goal for 2022 was to maintain existing services and get through the pandemic by tightly managing expenditures and deferring large capital projects.

Fortunately, actual City revenue collections were better than expected in 2021 and are trending above budget for 2022. In addition, the City’s assessed valuation continues to grow, with an increase of 12.1% for the fiscal year 2023 budget.

Given the positive revenue outlook, the City’s priorities for the fiscal year 2023 budget are:

- › Implementing a 1.000 mill reduction in the property tax rate (the mill levy declines from 29.102 mills to 28.102 mills for 2023) and maintaining existing user fee rates.
- › Maintaining existing service levels while allocating additional funds for employee compensation to retain current employees and fill vacant positions in a competitive job market.
- › Using excess General Fund reserves accumulated in fiscal years 2020, 2021, and 2022 to finance new projects in the capital improvement program (CIP).
- › Maintain structural balance in the General Fund in all five years of the multi-year financial model.

Staff has included these priorities in the FY 2023 recommended budget submitted to the Governing Body.

Revenue Neutral Tax Rate calculation

The property tax levy legislation adopted by the Kansas Legislature in 2021 (effective for the 2022 budget) establishes procedural requirements for setting property tax levies. Specifically, the legislation requires calculation of a “revenue neutral rate,” which is defined as the mill levy required to raise the same amount of property tax revenue as the prior year using current year assessed valuation amounts. In order to exceed the revenue neutral rate, local governments must publish notice and hold a public hearing. In addition, County Clerks will provide mailed notices to all taxpayers of the revenue neutral rate hearing and the proposed mill levy and property taxes for their specific properties beginning with the 2023 budget.

The legislation sets the following timeline for consideration of budgets that will exceed the revenue neutral rate:

- › By June 15: County Clerks provide assessed valuation estimates for the budget and the revenue neutral rate calculation.
- › By July 20: City notifies the County Clerk of intent to set the property tax levy above the revenue neutral mill levy.
- › Between August 1 and August 10: The County will mail notices to all taxpayers of the revenue neutral rate hearing and proposed mill levy for their specific properties.

- › Between August 20 and September 20: City holds revenue neutral rate public hearing prior to or in conjunction with the annual budget hearing; City must publish hearing notice in the newspaper and on the City's website at least 10 days prior to the public hearing date.
- › The City must adopt a resolution to exceed the revenue neutral rate immediately after the public hearing and before adopting a resolution approving the annual budget.
- › By October 1: City certifies annual budget to the County Clerk.

For the 2023 budget, the City's estimated revenue neutral rate is 25.938 mills (decrease of 3.164 mills from the 2022 mill levy of 29.102 mills). This revenue neutral rate will generate \$41.6 million of property tax revenue – the same amount as FY 2022.

Please note, the City assumes a delinquency rate of 3% for property tax collections, so the \$41.7 million levied is expected to generate \$40.4 million in actual collections for FY 2022.

The estimated mill levy for the fiscal year 2023 budget is 28.102 mills, which exceeds the 25.938 revenue neutral mill levy by 2.164 mills (approximately \$3.4 million). The City Council will review a resolution to exceed the revenue neutral rate for fiscal year 2023 in August, 2022. The multi-year financial model also estimates the City will exceed the revenue neutral rate in future fiscal years (2024 through 2027).

While this is not a decision that the City takes lightly and one which will be carefully evaluated each year, the revenue neutral rate calculation does not account for a community's growth and the inflationary costs to provide services to the growing community. Lenexa is a growing community and we continue to offer high quality services to every part of our community in a cost effective manner.

Budget Highlights

The total adopted budget for fiscal year 2023 is \$204.7 million (\$144.5 million for expenditures and \$60.2 million for projected reserve amounts as of December 31, 2023). This is an increase of \$20.8 million (11.3%) compared to the fiscal year 2022 adopted budget of \$183.9 million.

Revenue Highlights

The City's property tax rate is 28.102 mills, which is a decrease of 1.0 mill (3.4%) compared to the 2022 mill levy of 29.102 mills. The budget allocates 22.573 mills to the General Fund and 5.529 mills to the Debt Service Fund in 2023. In total, estimated property tax revenue (excluding special assessments and tax increment financing) is \$43.8 million for 2023, which is an increase of \$3.4 million (8.3%) compared to the 2022 amount of \$40.4 million.

The City's total estimated assessed valuation is \$1.61 billion for 2023, which is an increase of \$.18 billion (12.2%) compared to the 2022 amount of \$1.43 billion. The 12.2% increase in the City's assessed valuation is the ninth consecutive year of growth greater than 5% and reflects the strong local economy.

Staff estimates the City's total sales and use tax collections (which includes the City sales/use tax and the City share of the County sales/use tax) will be \$45.9 million in 2023, which is an increase of \$6.7 million (17%) compared to the budgeted 2022 amount of \$39.2 million. The large increase is due to the conservative estimates prepared for 2022 during the COVID-19 pandemic and continued growth in use tax revenues (from strong online sales activity).

Staff evaluated all user fees during the fiscal year 2023 budget process and did not recommend any fee adjustments. The largest source of fee revenue is the stormwater service charge, which is currently \$109 per equivalent dwelling unit (EDU). Staff estimates this fee will generate \$6.4 million in revenue for 2023.

2023 REVENUES BY SOURCE

REVENUES BY SOURCE			
	Property Taxes	\$64,585,203	44.6%
	Non-Property Taxes	61,984,700	42.8%
	Licenses & Permits	1,689,000	1.2%
	Charges for Services	12,518,919	8.6%
	Fines & Forfeitures	941,000	0.7%
	Transfers In & Use of Prior Yr. Bal.	1,098,692	0.8%
	Other Revenues	1,914,795	1.3%
TOTAL		\$144,732,309	100.0%

Expenditure Highlights

Total budgeted expenditures for the fiscal year 2023 budget are \$144.5 million compared to the original budget of \$135 million for fiscal year 2022. The increase of \$9.5 million (7.1%) is due to a variety of factors, including:

- › Additional funding for 6% pay increases. These additional funds are necessary to recruit and retain staff in the current job market in order to continue to provide exceptional service to our community.
- › Additional funding for contractual services, commodities and capital outlay due to inflationary pressures.
- › General Fund transfers to the Capital Improvement Fund and Equipment Reserve Fund (ERF) to pre-COVID levels to finance the approved Capital Improvement Program (CIP) and equipment replacement.
- › The addition of 4 CID funds and 1 Enterprise fund.
- › Additional funding for debt service expenditures (for new debt issued to finance capital projects).

EXPENDITURES BY FUNCTION

	General Government	\$12,008,389	8%

TOTAL		\$144,541,166	100%

2023 EXPENDITURES BY FUNCTION

Please see the table below for a summary of significant expenditure changes by department.

The 2023 budget is the City of Lenexa’s fiscal plan for the next year. The total budget for all funds, including projected reserve balances, is \$204.7 million – up 11.3% from the 2022 budget of \$183.9 million. The highlights for the 2023 budget by department are listed in the table below.

Department	Budget Highlights for 2023	Personnel
Governing Body	No Significant changes.	Not applicable.
Executive	Additional funding to cover increase in Residential Exterior Grant Program	FTEs remain at 5.50.
Communications	Additional funds for printing, postage and sending TownTalk to Lenexa’s increasing population.	FTEs remain at 4.75.
Public Market	Additional funding for utilities and two part-time FTEs.	FTEs increase 1.00 to 5.00.
Municipal Court	Additional funding for professional services related to appeals and increase in public defender costs.	FTEs remain at 6.50.
Non-Departmental	Additional funding for ETC survey and CCL Master Association dues. ERF transfer of \$1.7 million, Facilities Maintenance transfer of \$500 thousand, and transfer to Capital Improvement fund of \$4.1 million.	Not applicable.
Finance	No Significant changes.	FTEs remain at 8.00.
Human Resources	Additional funding for the Lenexa Leadership Foundation, Compensation Study updates, and 0.6 FTE.	FTEs increase 0.60 to 7.98.
Information Technology	No Significant changes.	FTEs remain at 13.00.
Legal	Additional funding for insurance of \$252 thousand.	FTEs remain at 9.00.
Community Development	Additional funding for 1.0 FTE and leased vehicle of \$400/month.	FTEs increase to 43.17.
Fire	Additional funding for maintenance fees related to new records management system.	FTEs remain at 97.00.
Police	Additional funding for annual maintenance costs for computer applications and other maintenance contracts.	FTEs increase 1.00 to 151.00.
Municipal Services	Additional funding for cost increases in supplies, fuel, equipment/vehicle parts, steel, iron, and asphalt.	FTEs increase 1.00 to 51.90.
Parks and Recreation	Additional funding for cost increases in supplies, chemicals, landscaping, playground mulch, turf materials and program equipment.	FTEs increase 1.00 to 77.21.
Stormwater	No Significant changes.	FTEs remain at 21.10.
Rec Center	Additional funding for window blinds, restoring lobby floor and replacing fitness equipment.	FTEs decrease to 50.80.

Budgeted full-time equivalent positions (FTEs) are 551.91 for fiscal year 2023 – an increase of approximately 5.60 FTEs from the revised fiscal year 2022. This is primarily for maintaining existing service levels throughout the City. Please see the table below for a summary of budgeted FTE positions by department for fiscal years 2021 through 2023.

Department	2021	2022 Revised Budget	2023 Budget
Executive	5.50	5.50	5.50
Communications	4.48	4.75	4.75
Public Market	3.50	4.00	5.00
Court	6.50	6.50	6.50
Finance	8.00	8.00	8.00
Human Resources	7.38	7.38	7.98
Information Technology	13.00	13.00	13.00
Legal	8.88	9.00	9.00
Community Development	42.17	42.17	43.17
Fire	97.00	97.00	97.00
Police	150.00	150.00	151.00
Municipal Services (includes Stormwater)	72.00	72.00	73.00
Parks and Recreation (includes Rec Center)	127.66	127.01	128.01
TOTALS	546.07	546.31	551.91

Capital Improvement Program

The City Council will consider the 2023–2027 CIP in September 2022. Projects funded in the CIP must cost at least \$300,000 and have an estimated useful life of at least five years.

The 2022-2026 CIP was adopted at the September 21, 2021 City Council meeting. You can [read about the current CIP](#) on Lenexa.com in the Finance section of the website.

Final Comments

I am extremely grateful for the hard work and positive spirit of City employees as they continue to provide exceptional services to the community during these difficult times. I would also like to thank the Governing Body for their continued support and assistance in creating the fiscal year 2023 budget.

TAX VALUE ILLUSTRATION

To determine the assessed valuation of your home, multiply the Johnson County appraised value of the home by 11.5%. (*Commercial properties have a 25% assessment rate.*)

$\$398,767 \times .115 = \$45,858$

Assessed valuation = \$45,858

To determine how much you pay in City taxes, multiply the assessed valuation by the mill levy.

$\$45,858 \times .028102 = \$1,289$

City tax liability = \$1,289

To determine your monthly expense for city services, divide tax liability by 12 months.

$\$1,289 / 12 = \107.42

Monthly expense for City services = **\$107.42**

QUICK CALC
 (Every \$100,000 of home value is \$323.25 in City tax per year or \$26.94 per month.)

VALUE OF YOUR LENEXA DOLLAR

The following list represents a sample of the city services provided for the \$107.42 per month

- FIRE PROTECTION / PREVENTION / SAFETY ★ COMMUNITY STANDARDS ENFORCEMENT
- COMMUNITY FESTIVALS AND EVENTS
- PUBLIC SWIMMING POOLS
- GOVERNMENT ADMINISTRATION
- SCHOOL CROSSING GUARDS
- COMMUNITY DEVELOPMENT
- PUBLIC PARKS AND TRAILS

One month digital TV service with DVR and high-speed internet
\$150

CITY PROFILE

Lenexa, Kansas, is part of the metropolitan Kansas City area and the 8th most populated city in Kansas with nearly 60,000 people calling it home. It is a city that works for the common good of everyone, which is one of the reasons it is one of the fastest growing cities in Kansas.

Platted in 1869 and incorporated in 1907, Lenexa has always been a place to rest and celebrate, plan and adapt — characteristics it still holds today.

Situated along the historic Santa Fe Trail, Lenexa's location has always been an asset. Today, Lenexa offers ease of access to five major highways. This infrastructure helps businesses grow and people prosper.

Lenexa's vast park system of beautiful strategic green space serves as a place for people to recharge and connect. Nicknamed the City of Festivals, Lenexa also knows how to celebrate its past, reflect on its present and plan for its future. It has a passion for arts and culture and an appreciation for new ideas.

Lenexa is a place of connection and growth — credited to a community-conscious people, a productive workforce and a great location.

MAPS & LAND

GEOGRAPHICAL DESCRIPTION

The City of Lenexa, Kansas is the **eighth largest city** in Kansas and is a suburb located in the southwest portion of the **Kansas City metropolitan area**. The City encompasses **34.45 square miles** of land in Johnson County and is approximately **12 miles southwest** of downtown Kansas City, Missouri.

Lenexa occupies a **strategic location** within the metropolitan area. Its position at the intersection of **several major transportation routes** has been a major factor in Lenexa’s growth and development, particularly for office and industrial development.

STRATEGIC ALIGNMENT: LENEXA'S GUIDING PRINCIPLES

The Guiding Principles are a set of shared values the Lenexa City Council established as a framework to guide policy decisions, planning processes, community initiatives, and daily activities of the organization. The Principles, formally adopted with the FY 2022 budget, inform the mission and daily operations of the City of Lenexa. The Mayor and City Council commit to responsible governance and pledge that local decisions will be made in a transparent, thoughtful and inclusive manner. They strive to do the right things for the right reasons guided by core principles.

Lenexa's Guiding Principles are underpinned by Vision 2040, the community-driven plan developed by community members based on their hopes and desires for Lenexa's future. Five themes make up Vision 2040 – Healthy People, Inviting Places, Vibrant Neighborhoods, Integrated Infrastructure & Transportation, and Thriving Economy – and the Vision 2040 document details how the community hopes to pursue those ideals for the future.

In the following pages, we link each Guiding Principle to key performance indicators and recent notable achievements.

In the Fund Budget section of this document, each budgeted area shows the specific Guiding Principles supported by departments and divisions.

Full 2021 DirectionFinder survey results can be found on [Lenexa.com](https://www.lenexa.com). Citizen surveys are conducted biennially in even numbered years. Graphs represent 2022 estimates.

THE CITY OF LENEXA'S EIGHT GUIDING PRINCIPLES

SUPERIOR QUALITY SERVICES

Ensure that services are provided efficiently and effectively in ways that create a safe, clean, and attractive community for residents, businesses, and visitors.

PRUDENT FINANCIAL MANAGEMENT

Provide exceptional value in public investments by committing to structural fiscal balance in operational and capital activities while upholding transparent finance and budgeting processes.

STRATEGIC COMMUNITY INVESTMENT

Purposefully invest in high-quality infrastructure, facilities, programs, and initiatives across all areas of the community.

EXTRAORDINARY COMMUNITY PRIDE

Celebrate Lenexa's history and reputation as a visionary community and use that heritage to instill future generations with the pride that is reflected in the City's public places, plans, programs, and people.

INCLUSIVE COMMUNITY BUILDING

Enthusiastically engage the public in community initiatives and visioning, including intentionally seeking input and ideas from a diverse assembly of stakeholders.

RESPONSIBLE ECONOMIC DEVELOPMENT

Fortify the city's economic base by encouraging high-quality private development as well as fostering economic opportunity through thoughtful planning processes and the judicious use of economic development investment programs.

SUSTAINABLE POLICIES AND PRACTICES

Lead by example in implementing sustainable and resilient practices where financially and operationally practical as well as enact community-wide policies and strategies that motivate both residents and businesses to do so when reasonable.

VALUES-BASED ORGANIZATIONAL CULTURE

Create an organization that reflects the community's diversity and fosters a superior culture by employing, supporting, and rewarding professionals who make decisions with integrity, deliver results through teamwork, provide exceptional service, lead into the future with vision, are dedicated to excellence, and who truly care about Lenexa.

SUPERIOR QUALITY SERVICES

ENSURE THAT SERVICES ARE PROVIDED EFFICIENTLY AND EFFECTIVELY IN WAYS THAT CREATE A SAFE, CLEAN AND ATTRACTIVE COMMUNITY FOR RESIDENTS, BUSINESSES AND VISITORS

- The Police Department’s Crisis Intervention Team program was **one** of **four** agencies across the United States to earn gold certification by CIT International in 2021.
- The Fire Department began to house operations at the Lenexa Public Safety Complex to improve emergency response performance in northeast area of the city.
- The Fire Department continued transition to deliver advanced level service (paramedic credentialed staff) from all emergency response units. Currently **33** personnel are credentialed as paramedics in operations division and another **seven** are completing paramedic licensure program.
- Lenexa participates in the Community Rating System to reduce flood insurance premiums for homeowners. The City achieved the highest rating in Kansas of **Class 5** in 2021, achieving the greatest amount of premium reduction for residents possible.
- Municipal Services is **one** of only 162 public works agencies to earn accreditation by the American Public Works Association.
- Lenexa received the GFOA Distinguished Budget Presentation Award for the FY 2021 budget document (**30th** consecutive year).
- In 2021, Municipal Court offered virtual appearances for **3,916** defendants across several different offense types including traffic and other minor criminal hearings.
- Information Technology completed Multi State Information Sharing and Analysis Center (MS-ISAC) Nationwide Cyber Security Review.
- More than **1,500** people enjoyed Lenexa’s bike-share program with Ride KC Bike, which offers e-bikes at eight city parks and locations.
- Rec Center offered free equipment orientation and wellness assessments to all members.
- Recreation staff taught **2,081** individuals to swim in 2021.

Lenexa received a “Leading the Way” award from ETC Institute in recognition of outstanding delivery of services to residents. Award recipients ranked in the **top 10%** of local governments across the country regarding the key indicators on the DirectionFinder Survey.

PRUDENT FINANCIAL MANAGEMENT

PROVIDE EXCEPTIONAL VALUE IN PUBLIC INVESTMENTS BY COMMITTING TO STRUCTURAL FISCAL BALANCE IN OPERATIONAL AND CAPITAL ACTIVITIES WHILE UPHOLDING TRANSPARENT FINANCE AND BUDGETING PROCESSES.

- The 2021 external financial audit was unmodified with no findings.
- Created new budget document which provides the City’s financial information in a more understandable, transparent way.
- Lenexa routinely pursues grants and matching fund opportunities.
- Departments consistently use a variety of cost saving measures including the use of volunteers, cooperative purchasing agreements, flextime and comp time to reduce overtime expenses, and the use of in-house staff to perform functions routinely outsourced by other jurisdictions.
- Municipal Services created a process to rehabilitate stormwater structures in-house which saved nearly **\$60,000** in 2021.
- Lenexa crews grew more than **12,000** plants from seeds or seedlings in greenhouses with a cost savings of **\$75,000**. The perennials were used in street medians, flowerbeds, rain gardens and bioretention cells on City property.
- In 2021, more than **\$31,500** of costs were underwritten by sponsors for programs, events and festivals.

MAJOR CIP PROJECTS COMPLETED IN 2021

- Stormwater improvements were completed in Lakeview and Ashley Park neighborhoods.
- The new Lackman Trail connects several parks between 95th Street and 87th Street Parkway and filled a critical gap in the City's trail system. The project also added a safer pedestrian crossing between Sar-Ko-Par Trails and Bois D'Arc parks.
- Complete Streets improvements like bike lanes, sharrows and signage have enhanced safety and comfort for bicyclists along strategically selected routes.
- Wayside Horns were activated at the Noland and Pflumm Road railroad crossings, significantly reducing noise pollution in Old Town.
- Work began in 2021 — and continues in 2022 — on major infrastructure projects designed to improve traffic at three key locations: Interstate 435/87th Street Parkway; Quivira Road and 75th Street; and Prairie Star Parkway and Kansas Highway 7.
- Design work began on a tunnel under 87th Street Parkway that will provide a safe, accessible connection for users of the popular Little Mill Creek Trail. Installation will take place in 2022.

STRATEGIC COMMUNITY INVESTMENT

PURPOSEFULLY INVEST IN HIGH-QUALITY INFRASTRUCTURE, FACILITIES, PROGRAMS AND INITIATIVES ACROSS ALL AREAS OF THE COMMUNITY.

- Invested **\$6.3 million** in the Pavement Management Program which resulted in **53** resurfaced lane miles, **8,507** linear feet of improved sidewalks, and **3,313** linear feet of repaired trails.
- Thirteen Exterior Grant Program projects were awarded by the City reimbursing property owners **\$45,000** to repair and improve the exterior of their homes, resulting in approximately **\$105,000** of private improvement.
- Refinanced Series 2011A and Series 2012A bonds with a present value savings of **\$911,000**.
- City Council member Julie Sayers was **one** of **20** in the nation appointed to the Champions Institute, a program which helps locally elected officials equitably define, design, build and evaluate Complete Streets in their communities.

EXTRAORDINARY COMMUNITY PRIDE

CELEBRATE LENEXA’S HISTORY AND REPUTATION AS A VISIONARY COMMUNITY AND USE THAT HERITAGE TO INSTILL FUTURE GENERATIONS WITH THE PRIDE THAT IS REFLECTED IN THE CITY’S PUBLIC PLACES, PLANS, PROGRAMS AND PEOPLE.

- **91%** of Citizens Survey respondents indicated they visited a park in the last year.
- Lenexans and visitors explored a variety of arts programs sponsored by the Lenexa Arts Council and Parks & Recreation including outdoor concerts, rotating gallery exhibits, a community orchestra, art classes and City Center Live.
- More than **21,500** guests experienced the Lenexa Farmers Market in 2021.
- Lenexa City Center received the inaugural award for Great Places in Kansas from the Kansas Chapter of the American Planning Association.
- Fire Department personnel assisted Johnson County Public Health efforts by administering **thousands** of COVID-19 vaccinations.
- The Swingin’ For a Scholarship pickleball tournament was named the “Outstanding New or Innovative Sports Program” by Kansas Recreation and Park Association in 2021.
- The Public Market continued to be a gathering place for our community and hosted popular events including Friday Night Soundbites, Food Truck Frenzy and Utepils.
- The Fire and Police Departments engaged with the Shawnee Mission School District Blue Eagle Program.
- The Police Department shared their inaugural “Annual Report to our Community”.
- In 2021, **22** groups participated in the Adopt a Spot program which help keep Lenexa parks and streets clean.
- Fire Department welcomed more than **1,000** guests at an open house for families in October 2021.
- Rec Center offered residents more than **20** free group fitness classes and **four** fitness check-ins for free to promote wellness. Fitness classes were free to all teachers for the month of August.
- PCMag, a leading tech news publication, named Lenexa number **12** on their list of the 50 best work-from-home cities in America in 2021.
- The Peace Poles Community Art Project featured nearly **40** pieces of original art with messages of peace at Sar-Ko-Par Trails Park and received the 2021 “New or Innovative Program Award” from Kansas Recreation and Parks Association.

INCLUSIVE COMMUNITY BUILDING

ENTHUSIASTICALLY ENGAGE THE PUBLIC IN COMMUNITY INITIATIVES AND VISIONING, INCLUDING INTENTIONALLY SEEKING INPUT AND IDEAS FROM A DIVERSE ASSEMBLY OF STAKEHOLDERS.

- Community Development engaged residents in the process to update the Comprehensive Plan and continues to use surveys, focus groups and other tools throughout the project to gather public input.
- Police Department outreach included Coffee with Cops, Understanding Use of Force Workshops, Youth Police Academy and the Citizens Police Academy.
- Community Development recommended action based on community surveys garnering **hundreds** of responses around two issues: one related to regulating homeless shelters and second about revising the curbside collection of recycling materials.
- Public engagement in the Aquatics Study (2018-2021) revealed that aquatics is overwhelmingly valued and supported. Engagement included user-group meetings, surveys, feedback forms, an open house and public education efforts.
- After gathering feedback on community priorities, Complete Streets improvements were made including new bike lanes, share the road signage, and a new marked bike loop route connecting Old Town to central Lenexa and other key points in the City.
- In 2021, the percentage of persons of color applying for jobs with the City was **29.56%**, a slight increase from the previous year.
- City staff participated in the United Community Services of Johnson County Housing Task Force, which established a menu of ways to address housing issues in the county and included public outreach and input.
- The Public Market offers a diverse array of cuisine, representing several cultures from around the world.
- Parks & Recreation scholarships were provided to **86** people in 2021. The department hosted two pickleball tournaments to raise money for the scholarship fund and brought in **\$6,675** in 2021.
- The Rec Center partners with the University of Kansas to host adaptive swim lessons and offers free admission to caregivers with ADA accommodations.
- Community Garden participants donated excess produce to the Johnson County Multi-Service Center and Farmers Market vendors donate hundreds of pounds of food to three local food banks through the After the Harvest program.
- Lenexa continues to install ADA accessible play features in parks. In 2021, two swings were installed at Black Hoof Park to provide a safe and accessible option for users with limited upper body strength, sensory issues and other challenges.

ETC Institute conducts a statistically valid survey of residents every other year for Lenexa.

The number of surveys returned in 2021 was

791

far exceeding the goal of

600

completed surveys.

SUSTAINABLE POLICIES AND PRACTICES

LEAD BY EXAMPLE IN IMPLEMENTING SUSTAINABLE AND RESILIENT PRACTICES WHERE FINANCIALLY AND OPERATIONALLY PRACTICAL AS WELL AS ENACT COMMUNITY-WIDE POLICIES AND STRATEGIES THAT MOTIVATE BOTH RESIDENTS AND BUSINESSES TO DO SO WHEN REASONABLE.

- The Stormwater Cost Share Program distributed **\$22,500** to **36** household for projects including native plantings, permeable surfaces, rain gardens and rain barrels.
- City Council continues to use the Climate Action Playbook developed by Climate Action KC, a community partnership dedicated to reducing greenhouse gas emissions and promoting a thriving, climate-resilient Kansas City metro region, to guide discussions.
- **99%** of city-owned streetlights have been converted to LED with an annual cost savings of **\$400,000**. These new lights provide brighter, safer streets while saving energy, money and maintenance time.
- **30%** of residents indicated they participated in Dumpster Days during last citizen survey. In 2021, **20** tons of steel and **10** tons of e-waste were recycled.
- City purchases clean wind/green energy for all electricity except streetlights.
- A goat herd was hired to clear invasive plants out of a streamway which resulted in tremendous exposure for the Rain to Recreation program. Residents learned what they can do to help keep our streams clean.
- Crews use prescribed burning (intentionally applying fire to parks and other public property) on **60** to **100** acres each year to reduce weeds/nonnative plants and keep prairie plants healthy.
- City staff planted **349** trees.
- Public Market merchants participate in a market-sponsored composting program and diverted approximately **14,250** pounds of food waste from the landfill.
- Lenexa has been named a Tree City USA for the past **33** years.
- New rain gardens at City Center and Bois D'Arc Park provide eco-friendly stormwater management.
- More than **550** bags of recycleable materials were collected from parks and diverted from the landfill.
- The City realized a **24%** increase of fuel savings when our older fleet was replaced with newer, fuel-efficient vehicles.

- Retired CFO Doug Robinson received the 2021 Kansas Government Finance Officers Association's Lifetime Achievement Award.
- Human Resources and Park University partnered to create Lenexa Leadership Foundations, a **six-month** training and enrichment program for emerging leaders in the organization.
- The Fire Department mobilized a fire engine and crew for a two-week deployment to provide fire protection and recovery efforts for a community in Louisiana following Hurricane Ida.
- Established a Fire Department honor guard of **14** team members to professionally represent Lenexa at ceremonial events.
- Employees host several charitable activities to help those in need throughout the year. The public is invited to join employees during food drives, diaper drives, coat and clothing collections. Employees also adopt families in need in December through the Red Bag program.
- Hosted a mental health wellness panel for employees in 2021.
- The Police and Fire Departments started the First Responder Wellbeing Education Program to enhance the emotional wellbeing of the City's first responders.
- The Police Department provided social media awareness presentations to City employees.
- Lexi Blue, a goldendoodle, joined the Police Department to provide comfort to Police employees, crime victims and individuals involved in traumatic events.
- The Fire Department piloted a comfort canine program to protect against service-related stress injuries and promote emotional resiliency within the Fire Department.
- Employee awards are given each year reflecting how team members exhibit the **six core values** of the organization.

FINANCIAL OVERVIEW

This section includes financial policies and procedures, budget summaries, projections and financial forecasts.

FINANCIAL OVERVIEW

Description of Accounts and Funds

The accounts of the City are organized on the basis of funds and groups of accounts, each of which is considered to be a separate accounting entity. The operations of each fund are accounted for by providing a separate set of self-balancing accounts, which is comprised of its assets, liabilities, fund balance, revenues and expenditures or expenses, as appropriate. The types of funds maintained by the City are as follows:

General Fund: The General Fund is the principal fund of the City and considered a major fund. The majority of the current operating expenditures of the City are financed through revenues received by the General Fund.

Debt Service Fund: The Debt Service Fund is used to account for the payment of principal and interest on the City's general obligation bonds, which are recorded in the general long-term debt account groups. Revenues for this purpose include ad valorem property taxes, special assessment taxes, and investment interest income. The Debt Service Fund is a major fund.

Enterprise Fund: Enterprise funds are used to account for the operations that are financed and operated in a manner similar to private business enterprises where the intent of the governing body is to provide the goods or services to the general public on a continuing basis primarily through user charges. The Stormwater Fund is used to account for the administration, operations, maintenance, financing and related debt service for providing a systematic, economical and environmentally sensitive means for managing the stormwater functions for the city. The Rec Center Fund is used to account for the programs and services provided to the community at the Rec Center. The Cemetery Fund is used to account for the administration, operations and maintenance of the City's cemetery.

Special Revenue Funds: These funds are used to account for revenues derived from specific taxes, governmental grants or other revenue sources which are designated to finance particular functions or activities of the City. Budgeted Special Revenue Funds include; Special Highway, Tourism and Convention, Special Alcohol, Special Parks & Recreation, Neighborhood Revitalization, Transportation Improvement Plan (Zone 1, 2 & 3), Parks and Recreation Impact Fee (Zone 1, 2 & 3), Street Tree (Zone 1, 2 & 3), Tax Increment Financing (TIF) funds and Community Improvement District (CID) funds.

Fiduciary Funds: The Pension Trust Fund is used to account for the accumulation of resources for pension benefit payments.

A **Fund** is an accounting entity with a self-balancing set of accounts that records financial transactions for a specific government activity or function. A fund includes both revenue and expenditure accounts. The fund balance of a fund is the excess of a funds current assets over its current liabilities.

FUND - FUNCTION - DEPARTMENT - DIVISION - ORGANIZATION - OBJECT

The **Expenditure** account numbers used in the City of Lenexa's budgeting and accounting process are broken down by fund, function, department, division, activity, and object.

A function is a group of related activities aimed at accomplishing a major service. A department is a major administrative section of the City of Lenexa, which indicates overall management responsibility for an operation, or group of related operations within a functional area. A division is a segment of the department, which is assigned a specific operation. An organization is a subset of the division, which fulfills a specific task of the division. The expenditure object number designates a specific expense account and is consistently applied throughout all departments, divisions, and organizations.

The **Revenue** account numbers used in the City of Lenexa's budgeting and accounting process are broken down by fund, section and object.

FUND - SECTION - OBJECT

Sections are categories of revenues such as property taxes, non-property taxes, licenses and permits, intergovernmental, charges for service, fines and forfeitures, use of money, miscellaneous, and non- revenue

receipts. The revenue object number designates a specific revenue account and is consistently applied in funds.

Accounting

All Governmental Funds are accounted for using the modified accrual basis of accounting. Revenues are recognized when they become measurable and available. In the General Fund, sales taxes are considered “measurable” when in the hands of the State Department of Revenue and are recognized as revenue at that time. Other major revenues in the General Fund that are determined to be susceptible of accrual include utility franchise taxes, grants-in-aid earned, other governmental revenues, and investment income. Major revenues that are determined not to be susceptible of accrual because they are either not available soon enough to pay liabilities of the current period, or are not objectively measurable include; property taxes, licenses, permits, fines and forfeitures in the General Fund, and property taxes in the Debt Service and Special Revenue Funds.

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. Exceptions to this rule include:

- Long-term portion of accumulated unpaid vacation and sick pay, which is not accrued.
- Principal and interest on general long-term debt, which is recognized when due.
- Prepaid expenses, which are not recorded.

Balanced Budget

The basis of budgeting is modified accrual for all budgeted funds, including Enterprise Funds. Lenexa adheres to Kansas state budget law which requires the following:

- The adopted budget must be in balance, where the total resources equal total obligations.
- Projected spending cannot exceed the available resources.
- All balances are appropriated in funds supported by general tax levies.

FINANCIAL POLICIES

The purpose of this section is to present a summary of the policies that the City of Lenexa follows in managing its financial and budgetary affairs. Most of the policies listed below are not new, but represent long-standing principles and traditions which have guided the City in the past and have allowed the City to maintain its financial stability, even during times of economic recession.

For Lenexa, a Balanced Budget is defined as a budget, in which projected resources (revenues plus use of fund balance) equal projected expenditures. This definition applies to each fund appropriated in the City's budget.

Reserve Policy

- The City will maintain prudent reserve amounts in City funds in order to maintain working capital, fund capital asset replacement, and fund debt retirement. Reserve targets will be based on a number of factors, including: a) cash flow requirements, b) contingencies for revenue volatility, and c) contingencies for expenditure volatility and emergencies (such as natural disasters).
- The reserve (unassigned fund balance) target for the General Fund will range from 30% to 35% of budgeted annual General Fund revenues.
- The reserve (fund balance) target for the Debt Service Fund will range from 10% to 20% of the annual principal and interest amounts due on outstanding bonds and temporary notes.
- The reserve (fund balance) target for the Stormwater Fund will range from 10% to 20% of budgeted annual Stormwater Fund revenues.
- The reserve (fund balance) target for the Rec Center Fund will range from 10% to 20% of budgeted annual Rec Center Fund revenues.
- The policy establishes reserve targets for a number of other City funds. These include the Health Plan Fund, the Risk Management Fund, the Workers Compensation Fund, the Tourism and Convention Fund, and the Special Alcohol Fund.

The City Council adopted the current reserve policy in December 2018.

Investment Of Idle Funds

- It is the policy of the City that, giving due regard to the safety and risk of investment, all available funds shall be invested in conformance with legal and administrative guidelines and, to the maximum extent possible, at the highest rates obtainable at the time of investment.
- The primary objectives of investment activities, in order of priority, shall be safety, liquidity, and yield. Safety of principal is the foremost objective of the investment program. Investments shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. The investment portfolio shall remain sufficiently liquid to meet all operating requirements that may be reasonably anticipated. This will be accomplished by structuring the portfolio so that securities mature concurrently with cash needs to meet anticipated demands. The investment portfolio shall be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into account investment risk constraints and liquidity needs.
- No single financial institution should hold demand or time deposits which will constitute more than 10% of the City's portfolio value. No more than 33% of the total portfolio value should be placed with a single issuer other than the United States Treasury. Additional limits are established for specific investment types.
- The City will not directly invest in securities with stated maturities of more than four (4) years from the date of purchase, in accordance with state statute.
- A quarterly investment report will be prepared and submitted to the City Manager and Governing Body. This report will be prepared in a manner which will allow the City to ascertain whether investment activities during the reporting period have conformed to the investment policy.

The City Council adopted the current investment policy in October 2021.

Purchasing Policy

- A commodity or service should be obtained at the lowest cost possible consistent with the quality required to maintain efficient operation of City departments.
- When the Governing Body approves a level of expenditures for any given department that, in itself is not a permit to expend funds, unless the need exists, and the item is within the City budget.
- Purchases less than or equal to \$20,000 per occurrence may be approved by the appropriate Administrative Team member. Purchases totaling over \$20,000 to \$75,000 per occurrence require approval by the City Manager, Deputy City Manager, or Chief Financial Officer. All purchases totaling over \$75,000 per occurrence require approval by the Governing Body.
- The City will maintain a control system to ensure adherence to the budget and will prepare regular reports comparing expenditures to budgeted amounts.

The City Manager approved the purchasing policy in December 2017.

Capital Asset Policy

- To safeguard the investment in capital assets.
- To provide information for preparation of financial statements in accordance with GAAP.
- Land and art assets will be capitalized without regard to cost and will not be depreciated.
- Infrastructure will be capitalized if it has a life expectancy of at least five year and a cost or value exceeding \$300,000.
- Assets other than land and infrastructure will be capitalized if the asset has a useful life of at least two year and a cost of value exceeding \$10,000 for Governmental Fund and \$5,000 for Enterprise funds.
- Small equipment (defined as non-consumable items with a cost greater than \$1,000 and a cost less then or equal to \$10,000) are not capitalized but procedures are established to inventory these items.

The City Manager approved the current capital asset policy in May 2018.

Capital Improvement Policy

- The City will develop a multi-year plan for capital improvements, update it annually and make all capital improvements in accordance with this plan.
- Immediate capital replacement needs and smaller capital projects are funded on a pay-as-you-go basis through a yearly budget transfer. Funding for projects with a projected cost of at least \$300,000 and a useful life of at least five years is provided through the Capital Improvement Program (CIP).
- Capital improvements involve the outlay of substantial funds; therefore, numerous techniques will be looked at to enable the City to pay for capital improvements over a longer period of time, including; General Obligation Bonds, Reserves (fund balances), Revenue Bonds, Lease Purchase, Special Districts, Special Assessments, State and Federal Grants and Cash for Capital Projects.

The City Manager approved the current capital improvement policy in July 2018.

Debt Policy

- To provide for proper planning of capital expenditures and minimize the interest costs incurred on outstanding debt.
- When evaluating the issuance of debt, the City will consider; adherence to the approved Capital Improvement Program; potential for the debt-finance project(s) to create an increase in assessed valuation and/or sales tax revenue; the property tax or other revenue required to fund the annual debt service and any other factor the City believes are pertinent.
- The City will market any debt issues on a competitive basis, unless circumstances related to unusual credit quality, issue size, or market access create a need for a negotiated sale.
- The maximum maturity on general obligation bonds, special obligation bonds and temporary notes shall not exceed the estimated useful life of the capital item being financed or 10 to 15 years whichever is less.
- The maximum maturity on Tax Increment Financing Bonds shall not exceed the estimated useful life of the project or 20 years whichever is less.

- The maximum maturity on Community Improvement District Bonds shall not exceed the estimated useful life of the project or 22 years whichever is less.
- The City will monitor existing debt amount and trends to meet any reasonable standards established by the credit markets.
- The City will monitor all ongoing disclosure requirements and file timely and accurate information with the Municipal Securities Rulemaking Board through its Electronic Municipal Market Access.

The City Council adopted the current debt policy in July 2019.

BUDGET PROCEDURES

Budget Adoption

Applicable Kansas statutes require that annual budgets be legally adopted for all funds (including proprietary funds) unless exempted by a specific statute. Specific funds exempted from legally adopted budgets are all Federal and State Assistance Funds, all Capital Project Funds, the Facilities Maintenance Fund, the Equipment Reserve Fund, the Legal Trust Fund, the Law Enforcement Trust Fund, the Lenexa Foundation Fund, the Capital Improvement Fund, the Risk Management Fund, the Health Plan Fund, the Workers Compensation Fund, and the Pension Trust Fund.

Budget Controls

Control over spending in funds that are not subject to legal budgets is maintained by the use of internal spending limits established by management. For budgeting, revenues are recognized when they become both measurable and available to finance expenditure of the current period, except for special assessments of the Debt Service Fund, which are recognized on a cash basis. Applicable Kansas statutes require the use of an encumbrance system as a management control technique to assist in controlling expenditures. Encumbrances of the budgeted Governmental Fund types, representing purchase orders, contracts, and other commitments, are reported as a charge to the current year budget. For budget purposes, unencumbered cash balances are determined by deducting liabilities and encumbrances from cash and receivables susceptible to accrual. The statutes provide for the following sequence and timetable in adoption of budgets: a) preparation of the budget for the succeeding calendar year on or before August 1 of each year, b) Notice of Public Hearing published on or before August 5 of each year, c) a minimum of ten days notice of public hearing published in a local newspaper, on or before August 15 of each year, and d) Certify adoption of final budget on or before August 25 of each year. These dates apply if not exceeding the Revenue Neutral Tax Rate.

Revenue Neutral Tax Rate calculation

The property tax levy legislation adopted by the State Legislature in 2021 (effective for the 2022 budget) establishes procedural requirements for setting property tax levies. Specifically, the legislation requires calculation of a "revenue neutral rate," which is defined as the mill levy required to raise the same amount of property tax revenue as the prior year using current year assessed valuation amounts. In order to exceed the revenue neutral rate, local governments must publish notice and hold a public hearing. In addition, County Clerks will provide mailed notices to all taxpayers of the revenue neutral rate hearing and the proposed mill levy impacting their specific properties beginning with the 2023 budget.

The legislation sets the following timeline for consideration of budgets that will exceed the revenue neutral rate:

- By June 15: County Clerks provide assessed valuation estimates for the budget and the revenue neutral rate calculation.
- By July 20: City notifies the County Clerk of intent to set the property tax levy above the revenue neutral mill levy.
- Between August 20 and September 20: City holds revenue neutral rate public hearing prior to or in conjunction with the annual budget hearing; City must publish hearing notice in the newspaper and on the City's website at least 10 days prior to the public hearing date.

- The City must adopt a resolution to exceed the revenue neutral rate immediately after the public hearing and before adopting a resolution approving the annual budget.
- By October 1: City certifies annual budget to the County Clerk.

Budget Amendment

The City must first publish a notice of hearing to amend the budget. Ten days after publication, a public hearing is held and the Governing Body may amend the budget at that time. Kansas statutes permit transferring budgeted amounts from one object or purpose to another within the same fund; however, such statutes prohibit creating expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. All appropriations lapse at the end of the year, except for capital project funds, which are carried forward until such time as the project is completed or terminated. Kansas statutes permit original budgets to be increased for previously non-budgeted increases in revenue other than ad valorem property taxes.

Budget Process

The City must prepare and adopt a budget each year. The presentation of the recommended budget is the an important step in a in the process as outlined in the budget calendar on the following page. The budget process is summarized in the following paragraphs.

- **Budget Preparation Guidelines.** The budget preparation guidelines were developed in March 2022 and included the following primary assumptions: a) maintaining or reducing the total mill levy for 2023, and b) an increase of 6% in the City's assessed valuation.
- **Budget Alternatives.** Each department was directed to prepare and submit potential budget alternatives (additions and reductions) for consideration in the 2023 budget process.
- **City Manager Review.** The City Manager reviewed the department budget alternatives and made preliminary decisions on the budget recommendation in May; these decisions were discussed with each department head. The City Manager is submitting a formal budget recommendation to the Governing Body.
- **Governing Body Review of Recommended Budget.** Staff presents an overview of the 2023 recommended budget (along with an update of the City's multi-year financial models) on June 28, 2022. The City will consider a resolution on July 5, 2022 to set a budget public hearing date and intent to exceed the revenue neutral property tax rate. The City will hold a public hearing on August 23, 2022 and the Governing Body will consider formally adopting the budget on August 23, 2022. Upon adoption of the budget, staff will file the required budget forms with Johnson County prior to the October 1, 2022 deadline established by state law.

ROAD TO THE BUDGET 2023

FEBRUARY 2022

- Budget calendar distributed

MARCH 2022

- Budget forms/ instructions
- County Appraiser real property valuation update

APRIL 2022

- Departments submit operating budget requests

MAY 2022

- Departments verify position data
- Departments complete performance measures/other budget information
- City Manager final decisions on budget
- Finalize revenue estimates

JUNE 2022

- Governing Body budget session to review budget
- Final assessed valuation estimates

JULY 2022

- Adopt resolution setting public hearing
- Notify County of intent to exceed Revenue Neutral Rate

AUGUST 2022

- Publish public hearing notice
- Budget open house
- Public hearing on budget
- Governing Body adopts budget

NOVEMBER/DECEMBER 2022

- Budget posted on city website
- Budget submitted to GFOA
- Final mill levy from County

EXPENDITURE BY FUND 2023 BUDGET

Explanation of Changes in Fund Balances

The following funds have projected changes in fund balances for FY 2022 and/or FY 2023: General Fund, Debt Service Fund, Special Alcohol Fund, Tourism and Convention Fund, Stormwater Fund, and Rec Center Fund. These changes are explained below.

General Fund: The fund balance of the General Fund is projected to decrease by \$6.0 million in FY 2022. This is due to a budgeted transfer out of \$11 million in excess reserves, to help fund the 2022-2026 Capital Improvement Program (\$9 million) and (\$2 million) to the Healthcare Fund. The transfer impact is mitigated by the outperformance of the 2022 revenue estimates as the impacts of COVID-19 on General Fund revenues have been less than estimated.

Debt Service Fund: The fund balance of the Debt Service Fund is projected to decrease by -\$0.62 million in FY 2022. This decrease occurs due to increase in debt service as the City pays down outstanding debt and issues new debt.

Special Alcohol Fund: The fund balance of the Special Alcohol Fund is projected to decrease by \$0. million in FY 2022. No additional change is projected in FY 2023.

Tourism and Convention Fund: The fund balance of the Tourism and Convention Fund is projected to decrease by \$0.23 million in FY 2022 and an additional \$0.15 million in FY 2023 due to expenditures returning to pre-pandemic levels.

Stormwater Fund: The fund balance of the Stormwater Fund is projected to increase by \$.07 million in FY 2022. This increase is due to additional EDUs coming online. The fund balance is projected to increase \$.09 in FY 2023. This increase is also due to additional EDUs coming online.

Rec Center Fund: The fund balance of the Rec Center Fund is projected to decrease by -.6 million in FY 2022 and no additional change is projected in FY 2023 due to the impact of COVID-19 on Rec Center Fund revenues.

Even with the fund balance decreases described above, all funds are projected to have fund balances which exceed minimum reserve requirements established by policy as of June 28, 2022.

SUMMARY OF REVENUES BY FUND

This table includes all revenues by fund for actual fiscal year 2021 through budget year 2023.

REVENUES BY FUND	2021 Actual	2022 Revised Budget	2023 Budget
General	\$90,102,280	\$92,896,012	\$97,738,901

MAJOR REVENUE SOURCES – TRENDS AND ASSUMPTIONS

Listed below are the major revenue sources and the underlying assumptions and trends for each.

Property Taxes

This is the largest source of revenue followed by City and County sales tax revenues. Property tax dollars generated to fund the 2023 budget are \$43.8 million (assuming a 3.0% delinquency rate) as compared to \$40.4 million for the 2022 budget. To generate \$43.8 million in property tax revenue, a mill levy of 28.102 mills is required for the 2023 budget. This includes 22.573 mills for the General Fund and 5.529 mills for the Debt Service Fund. The mill levy of 28.102 is a 1.000 mill decrease from the prior year mill levy of 29.102. The City’s assessed valuation, to which the property tax rate is applied increased from \$1.43 billion in 2022 to \$1.61 billion in 2023. This represents an increase of 12.2%.

Property taxes are billed and collected by Johnson County. The County distributes property taxes to the City in January, March, June, September and October.

Sales & Use Tax

The City currently imposes a 1.375% sales tax rate, which includes a 1.000% general purpose levy and 0.375% to fund road and park maintenance, park facility upgrades and development. (In certain areas of the City, there is an additional 1% sales tax for Community Improvement Districts). The 0.375% sales tax went into effect on Oct. 1, 2008 and is estimated to generate approximately \$8.5 million in sales tax and use tax revenues for the 2023 budget. The City also shares in the distribution of Johnson County sales tax at the rate of 1.475% (an additional .25% became effective 4/1/2017). General Fund City sales tax revenue is projected at \$21.6 million for 2023 an increase of 13.6% compared to the 2022 budget. General Fund county sales tax revenue is projected at \$10.5 million for 2023, an increase of 11.3% compared to the 2022 budget. The large increase in sales and use tax revenue is due to the conservative estimates prepared for the 2022 budget during the COVID-19 pandemic and continued growth in use tax revenues from strong online sales activity.

Sales and uses tax are collected by businesses and remitted to the Kansas Department of Revenue. The Department of Revenue distributes the sales and use taxes to the City on a monthly basis.

SALES TAX - CITY & COUNTY
(in millions)

USE TAX
(in millions)

Tax Increment Financing (TIF)

In order to support the Governing Body goals of economic development and reinvestment, the City will consider approval of TIF financing when appropriate. To date, the City has approved multiple TIF project plans in the City Center TIF district and other TIF districts to stimulate development and enhance the City’s property tax base. TIF revenues are created in TIF districts when the assessed valuation of property in the district exceeds the base assessed valuation (which is the assessed valuation at the time the TIF district is created by the City). TIF revenue is projected to increase by 9% in 2023 compared to the 2022 budget.

TAX INCREMENT FINANCING
(in millions)

Franchise Taxes

Electric — Recently, Kansas City Power & Light (KCPL) and Westar Energy have merged and are rebranding as Evergy. Under the current franchise agreement with these providers, a franchise fee of 5% of gross receipts is paid to the City. The City entered into new franchise agreements with Westar Energy, Inc. in 2017, and KCPL in 2019. As they continue to transition into a single company, Evergy, they will continue to pay the same franchise fee of 5%. KCPL billings credits to customers related to the merger, plus weather patterns and the cost of raw materials continue to have the most impact on electric consumption and franchise fees collected. Electric franchise taxes are projected to remain level in 2023 compared to the 2022 budget based on current collections.

Electric franchise taxes are remitted to the City on a monthly basis.

Gas — The City is served by two natural gas providers. Under their current franchise agreements, a franchise fee of 5% of gross receipts is collected by the provider and remitted to the City. Weather patterns and the wholesale cost of natural gas play a large role in the ultimate consumption of natural gas and total franchise fees collected. The franchise agreement with Atmos Energy was renegotiated and adopted in 2017. The second natural gas franchise with Kansas Gas Service is currently month to month while the City is renegotiating a new natural gas franchise. Annually, the City determines the Volumetric Rate and adopts a Volumetric Rate Calculation Form pursuant to which both providers collect franchise fees on the transport gas sold as a commodity Gas franchise taxes are projected to increase 3% for 2023 as compared to the 2022 budget based on current collections.

Gas franchise taxes are remitted to the City on a monthly basis.

Communications - Cable Television — Five companies currently provide video service in the City of Lenexa. State law allows cable television and other video service providers to enter into a statewide franchise instead of executing a franchise with each city. Under both local and statewide franchises, the City will collect a 5% gross revenues franchise fee.

Telecommunications — The City of Lenexa has current franchises with 19 telecommunications providers. The City has been successful in negotiating and adopting franchises with several telecommunication providers and wireless service providers, and continues to seek franchises with other providers that are providing service in the City without a franchise. The City’s franchises with telecommunication providers requires companies to pay a 5% gross revenue franchise fee. Additionally, several telecommunications providers also have a Master License Agreement under which the providers pay an annual attachment fee of \$270 that permits the installation of small cell telecommunication facilities on certain City-owned property. Telecommunication franchise fees are projected to decrease for 2023 compared to the 2022 budget based on historical collections.

FRANCHISE TAXES
(in millions)

Stormwater Service Charge

In 2000, the City developed a Stormwater Management Plan which called for a proactive approach to stormwater management issues within the city. This approach reduces flooding, improves water quality and builds community assets. To fund this plan the City established a stormwater management fee which is imposed on each residential and nonresidential developed property. The fee pays for operation and maintenance, costs of capital improvements, debt service associated with the stormwater management system and other costs included in the operating budget. This monthly service charge will remain constant in the 2023 budget at \$109 per equivalent dwelling unit (EDU). (Homeowners will pay \$109 annually.) Stormwater service charges are budgeted to increase from \$6.08 million to \$6.34 million an increase of 1% due to the growth in the number of EDUs.

Stormwater service charges are billed and collected by Johnson County. The County distributes the service charges on the same schedule as property taxes.

STORMWATER SERVICE CHARGE
(in millions)

Motor Vehicle Excise Taxes

This is a tax collected by the County at the time of vehicle registration. The amount of tax is based on a statutory amount set for various classes of vehicles (based on original value and age) and is taxed according to the countywide average tax rate for the preceding year. Kansas statutes provide for the distribution of revenue for the vehicle tax among all taxing subdivisions. This division is made in proportion to the City’s share of the prior years total levy rate in which the vehicle has its tax origin. Vehicle tax revenue is proportionately allocated to each fund based on relative property taxes for the prior year. The County treasurer notifies the City of the estimated amount which it is to receive each year. Motor vehicle excise tax is estimated at \$3.33 million for 2023, which is an increase of 6.2%.

Motor Vehicle Excise Tax
(in millions)

Rec Center Membership Fees

In July of 2017, the City opened a new recreation center. This 100,000-square-foot facility features fitness equipment, an indoor pool, a jogging walking track that encompasses a full service fitness floor and two gyms for open play. A portion of the 3/8 cent sales tax went toward constructing the facility. The Lenexa Rec Center will cover operational costs through user fees. User fees include memberships, programs and rentals. Membership fees are estimated at \$1.6 million for 2023 (no change from the 2022 budget). The decrease reflected in 2020 is due to the impact of COVID-19 therefore the City continues a conservative estimate for the 2023 budget.

Rec Center Membership Fees
(in millions)

Total Major Revenue Sources

The total major revenue sources described above equal \$111 million in 2023, or 77% of the \$145 million total budgeted revenues.

MULTI-YEAR FINANCIAL FORECAST

Introduction

In accordance with the City's budget management policy, the Finance Department prepares multi-year financial models for the General Fund, Debt Service Fund, and Stormwater Fund during our annual budget process. These three funds comprise more than 82% of the City's operating budget and allow the Governing Body and staff to:

- Obtain a better understanding of the City's future financial opportunities and challenges.
- Create a common set of assumptions and expectations.
- Place an emphasis on long-term financial planning.

The financial models are dynamic and change constantly as staff analyzes and adjusts assumptions. Overall, the models are tools to illustrate the impact of policy decisions and potential trends.

The City has also developed a set of budget principles to guide the preparation of the multi-year financial models, annual budget, and Capital Improvement Program (CIP). These budget principles include:

- Funding ongoing operating expenditures with ongoing revenue sources.
- Using one-time revenues for one-time expenditures (capital projects, for example).
- Maintaining sufficient reserve balances to address unforeseen events.
- Using a conservative approach to revenue estimation to avoid budget shortfalls during the fiscal year.
- Preparing equipment replacement and building maintenance schedules (and providing appropriate funding for these schedules).

By adhering to these budget principles, the City has achieved the best possible credit ratings (Aaa and AAA) on existing general obligation bonds.

Revenue Neutral Tax Rate calculation

The property tax levy legislation adopted by the State Legislature in 2021 (effective for the 2022 budget) establishes procedural requirements for setting property tax levies. Specifically, the legislation requires calculation of a "revenue neutral rate," which is defined as the mill levy required to raise the same amount of property tax revenue as the prior year using current year assessed valuation amounts. In order to exceed the revenue neutral rate, local governments must publish notice and hold a public hearing. In addition, County Clerks will provide mailed notices to all taxpayers of the revenue neutral rate hearing and the proposed mill levy impacting their specific properties beginning with the 2023 budget.

The legislation sets the following timeline for consideration of budgets that will exceed the revenue neutral rate:

- By June 15: County Clerks provide assessed valuation estimates for the budget and the revenue neutral rate calculation.
- By July 20: City notifies the County Clerk of intent to set the property tax levy above the revenue neutral mill levy.
- Between August 1 and August 10: County will mail notices to all taxpayers of the revenue neutral rate hearing and proposed mill levy impacting their specific properties.
- Between August 20 and September 20: City holds revenue neutral rate public hearing prior to or in conjunction with the annual budget hearing; City must publish hearing notice in the newspaper and on the City's website at least 10 days prior to the public hearing date; the City must adopt a resolution to exceed the revenue neutral rate immediately after the public hearing and before adopting a resolution approving the annual budget.
- By October 1: City certifies annual budget to the County Clerk.

For the 2023 budget, the City's estimated revenue neutral rate is 25.938 mills (decrease of 3.164 mills from the 2022 mill levy of 29.102 mills). This revenue neutral rate will generate \$41.7 million of property tax revenue – the same amount as FY 2022.

(The City assumes a delinquency rate of 3% for property tax collections, so the \$41.7 million levied is expected to generate \$40.4 million in actual collections for FY 2022).

The estimated mill levy for the FY 2023 Budget is 28.102 mills, which exceeds the 25.938 revenue neutral mill levy by 2.164 mills (approximately \$3.4 million).

General Fund Model

Earlier this year, staff presented preliminary General Fund projections through FY 2027. Staff has updated these projections to incorporate revised revenue estimates and the recommended expenditure budget for FY 2023. Staff has summarized the key financial model assumptions in the following table.

TABLE #1: FINANCIAL MODEL ASSUMPTIONS – GENERAL FUND					
	2023	2024	2025	2026	2027
Assessed Value % annual change	12%	4%	4%	4%	4%
Total Mill Levy (2022=29.102)	28.102	27.602	27.102	26.602	26.502
Estimated property tax delinquency rate	3%	3%	3%	3%	3%
City Sales Tax % change (1.375% rate)	2%	2%	2%	2%	2%
Personnel: % of pay allocated for pay increases	6%	3%	3%	3%	3%
General Fund Transfer to Equipment Reserve Fund (equipment replacement) – in millions	\$1.8	\$1.8	\$1.8	\$1.8	\$1.8
General Fund Transfer to Capital Improvement Fund (pay as you go funding for CIP – funded from general revenue) – in millions	\$4.2	\$3.2	\$3.3	\$3.4	\$3.2

* An additional 3% of pay is included in the non-departmental budget of the General Fund to implement the results of the compensation study.

The General Fund Transfer amounts in FY 2022 to the Capital Improvement Fund include:

- › 1.5 mills for capital improvement projects (estimated \$2.3 million in 2023)
- › 0.78 mills for the Pavement Management Program (estimated \$1.2 million in 2023)

Due to the size of the existing General Fund reserve, staff also recommended transferring \$11 million from the General Fund to the Capital Improvement and Healthcare funds in FY 2022 to finance capital projects and healthcare costs. The City Council will review the recommendation in the fall of 2022.

Overall, the mill levy is projected to be 28.102 mills in FY 2023 and is anticipated to be reduced to 26.502 by FY 2027.

The following graph summarizes the revenue and expenditure projections for the General Fund in FY 2023 to FY 2027.

GENERAL FUND PROJECTIONS
FY 2023 - FY 2027 (in millions of \$)

	2023	2024	2025	2026	2027
Revenues	\$97.7	\$99.8	\$102.5	\$105.1	\$107.9
Expenditures	\$97.7	\$98.5	\$101.0	\$104.0	\$106.9
Surplus (Deficit)	\$-	\$1.3	\$1.5	\$1.1	\$1.0

Based on the financial model assumptions, the General Fund projections reflect structural balance (revenues equal to or exceeding expenditures) in FY 2023 through FY 2027.

General Fund Reserve (Fund Balance) Information

The City adopted a revised policy regarding reserve funds in August 2017. This policy states that the City will maintain prudent reserve amounts in City funds in order to maintain working capital, fund capital asset replacement, and fund debt retirement. The policy establishes reserve targets based on a number of factors, including:

- Maintaining reserves to meet cash flow requirements.
- Maintaining reserves to provide contingencies for unpredictable revenue sources.
- Maintaining reserves to provide contingencies for unpredictable expenditures and emergencies (such as natural disasters).

The policy establishes reserve targets for a number of City funds, including the General Fund. According to the policy, the annual calculation is expected to generate a General Fund reserve target that ranges between 30% and 35% of budgeted annual General Fund revenues. This target range is generally equivalent to four months of General Fund operating expenditures.

The following graph shows projections for the General Fund reserve balances in FY 2023 through FY 2027.

GENERAL FUND RESERVE PROJECTION
FY 2023 - FY 2027

The General Fund reserve ranges from 36% to 37% of projected revenues during the forecast period. The reserve policy requires a reserve of 30% to 35% of General Fund revenues. The projected mill levy is 22.573 mills in FY 2023 and for the forecast period.

Debt Service Fund Model

Staff has created Debt Service Fund revenue and expenditure projections based on the same assessed valuation assumptions as used for the General Fund. The projections also assume the Debt Service Fund mill levy will be 5.529 mills in FY 2023 and reduced to 3.929 mills by FY 2027.

Debt Service Fund expenditures incorporate financing for capital projects funded with general obligation bonds (excluding stormwater projects) in the adopted CIP. In general, repayment for new debt is structured on a level payment basis over a period of 10 years or 15 years. However, there are some projects that will be repaid over a period of 20 years (for example, certain special benefit district debt is repaid over 20 years in accordance with existing development agreements).

The following graph summarizes the revenue and expenditure projections for the Debt Service Fund in FY 2023 to FY 2027.

DEBT SERVICE FUND PROJECTIONS
 FY 2023 - FY 2027 (in millions of \$)

	2023	2024	2025	2026	2027
Revenues	\$14.0	\$14.2	\$13.8	\$13.0	\$13.1
Expenditures	\$14.1	\$14.2	\$13.7	\$12.6	\$12.6
Surplus (Deficit)	\$(0.1)	\$-	\$0.1	\$0.4	\$0.5

The Debt Service Fund financial model reflects deficits of \$0.1 million in FY 2023. Projected revenues would exceed debt service expenditures beginning in FY 2024.

The Debt Service Fund reserve ranges from 31.3% of projected debt service expenditures in FY 2023 to 42.7% of debt service expenditures in FY 2027. The reserve policy requires a reserve of 10% to 20% of debt service expenditures. To reduce the reserve amount in FY 2023 through FY 2027, the Governing Body can issue more debt, reduce the Debt Service Fund mill levy, or do both. The projected mill levy is 5.529 mills for FY 2023 and is anticipated to be reduced to 3.929 mills by FY 2027.

Stormwater Fund Model

Staff has created Stormwater Fund revenue and projections assuming the annual Stormwater service charge is \$109 per equivalent dwelling unit (EDU) in FY 2023 through FY 2027 (same service charge as FY 2022).

The expenditure projections for operating costs are generally based on the same assumptions as the General Fund, and the stormwater debt service projections are based on the capital projects included in the adopted CIP. Debt repayment is structured on a level payment basis over a period of 20 years per the original Stormwater Fund financial model.

The following graph summarizes the revenue and expenditure projections for the Stormwater Fund in FY 2023 to FY 2027.

STORMWATER FUND PROJECTIONS
FY 2023 - FY 2027 (in millions of \$)

	2023	2024	2025	2026	2027
 Revenues	\$7.2	\$7.3	\$7.4	\$7.4	\$7.5
 Expenditures	\$7.1	\$7.2	\$7.2	\$7.3	\$7.4
Surplus (Deficit)	\$0.1	\$0.1	\$0.2	\$0.1	\$0.1

The Stormwater Fund financial model reflects structural balance (revenues equal to or exceeding expenditures) in FY 2023 through FY 2027.

The ending Stormwater Fund reserve ranges from 18% to 23% of projected revenues. The reserve policy requires a reserve of 10% to 20% of Stormwater Fund revenues. The projected equivalent dwelling unit (EDU) rate is \$109 per EDU for the forecast period (the same as the FY 2022 rate).

Future Challenges and Final Comments

As mentioned earlier, the projections in the multi-year financial models are dynamic and can change significantly in a short period of time. The City can control some of the assumptions while others are uncontrollable and difficult to predict. For these reasons, it is important to maintain reserve levels in accordance with the City’s Reserve Funds policy. Overall, the projections are a tool to illustrate the impact of policy alternatives and to highlight potential financial issues in future years.

CAPITAL IMPROVEMENT PROGRAM & DEBT MANAGEMENT

A summary of the Capital Improvement Program and funding sources can be found here. General guidelines used to manage the debt program, debt ratios and debt schedules are also listed.

CAPITAL IMPROVEMENT PROGRAM

Capital Improvement Program

A capital improvement program (CIP) is a plan that is the result of a systematic evaluation of capital projects. The plan serves as a guide for the efficient and effective provision of public facilities, outlining timing and financing schedules of capital projects for a five-year period of time. In the process of formulating the plan, public improvements are prioritized and costs are projected, thereby allowing the City to take maximum advantage of federal, state and county funds. However, the capital improvement plan is not a document of long-term certainty. Rather, the plan is reviewed yearly, during which time the needs of the City may be re-prioritized and financial status re-evaluated. This allows the City further flexibility in maintaining and promoting an effective level of service for present and future citizens.

The 2022-2026 CIP was adopted at the September 21, 2021 City Council meeting. You can [read about the current CIP](#) on Lenexa.com in the Finance section of the website.

The recommended 2023-2027 CIP will be presented at a City Council meeting in fall 2022.

What Is A Capital Improvement Project?

A capital improvement project is a project that may include the construction of new facilities as additions to the City's assets, renovation of existing structures to significantly extend useful life, and major repair operations of a comprehensive and non-routine nature. To be defined as a capital project, the project must exceed \$300,000 in cost, and have a useful life of at least five years. (Immediate capital replacement needs and smaller capital projects are funded on a pay-as-you-go basis through a yearly budget transfer.) Capital improvements involve the outlay of substantial funds; therefore, numerous techniques are evaluated to enable the City to pay for capital improvements over a longer period of time, including: general obligation bonds, reserves (fund balances), revenue bonds, lease purchase, special districts, special assessments, state and federal grants and cash for capital projects. Common examples of capital improvement projects include the construction of roads and bridges, facilities and storm drainage improvements. However, the funding of certain other large ticket items, such as fire trucks, is considered to be capital projects as well.

What Are The Objectives Of A Capital Improvement Program?

1. To forecast public facilities and improvements that will be needed in the near future.
2. To anticipate and project financing needs in order to maximize available federal, state and county funds.
3. To promote sound financial planning in order to enhance and protect the bond rating of the City of Lenexa, in accordance with the debt policy.
4. To avoid, through sound financial planning, dramatic fluctuations of the tax rate.
5. To focus attention on and assist in the implementation of established community initiatives as outlined in the Governing Body Guiding Principles and the Comprehensive Plan.
6. To serve as a guide for local officials in making budgetary decisions.
7. To balance the needs of developing west Lenexa with the needs of the already developed eastern portion of Lenexa.
8. To promote and enhance the economic development of the City of Lenexa in a timely manner.
9. To strike a balance between needed public improvements and the present financial capability of the City to provide for these improvements.
10. To provide an opportunity for citizens and interest groups to voice their requests for community improvement projects.

How Does Capital Spending Impact The Operating Budget?

Capital spending impacts the operating budget by increasing revenue and/or increasing or decreasing expenditures. When the City undertakes a capital improvement such as a boulevard, sometimes it is undertaken to attract new businesses or industries to the city. Thus, the businesses will increase the

city's property tax base and also potentially increase sales tax revenues. Building permits will also increase due to the construction of the buildings used in the businesses.

The construction of a new boulevard will also increase the expenditure side of the department's operating budget. The Parks and Recreation Department has additional area to maintain. The Community Development Department has additional area to zone. The Police Department has an additional street to patrol. The Municipal Services Department has an additional street to clear of snow and ice. The Fire Department has additional areas for fire protection.

The City strives to increase its revenues through the growth of the city, therefore, decreasing the amount of tax dollars required from its citizens.

How Is The Capital Improvement Program Formulated?

Since a Capital Improvement Program is intended to schedule major physical improvements, it is necessary to allow all City departments an opportunity to submit capital improvement requests that are anticipated over a five-year period. Likewise, citizens and public interest groups should be offered the opportunity to voice their requests for community improvement projects.

Once a composite list of capital improvement requests has been created, and the administrative recommendations submitted, the Planning Commission is responsible for reviewing and recommending project priority from a professional planning perspective. The Governing Body is responsible for recommending and prioritizing projects from a budgetary and affordability perspective as well as examining the need and priority of the projects themselves. The scheduling of projects over a five-year period is based on an evaluation of Lenexa's development policies, plans for future growth, and the ability of the City to amortize the debt. It is important to understand that the Governing Body is not committed to a particular expenditure in a particular year. Instead, the capital improvement programming process is repeated each year to allow re-evaluation of previous requests and consider new requests based on changing community needs and conditions.

How Are Capital Improvements Financed?

It is important to note the direct correlation between sound capital planning and favorable bond ratings. Credit rating agencies directly correlate greater risk with large debt. A strong assessed valuation in conjunction with low debt ratios facilitates a better bond rating, thereby resulting in more favorable interest rates for long-term borrowing. A sound capital improvement program is critically important to a favorable bond rating, as it demonstrates that the City is able to exercise control over expenditures.

Because most capital improvements involve the outlay of substantial funds, local governments may not be able to pay for these facilities through annual appropriations in the annual operating budget. Therefore, numerous techniques have evolved to enable local governments to pay for capital improvements over a longer period of time rather than a single year. Most techniques involve the issuance of bonds in which a government borrows money from investors and pays the principal and interest over a number of years. Long-term debt is issued by the City of Lenexa in accordance with the City's debt policy. Brief definitions of financing techniques are listed below.

Authorities and Special Districts: Special authorities or districts may be formed, pursuant to applicable statutory requirements, to provide public improvements. These districts are usually single purpose, providing only a single service or improvement. The purpose of forming authorities or special districts is often to avoid statutory local government debt limits, which restrict the ability of the municipality to issue long-term debt. A further purpose is to provide improvements, which may overlap jurisdictional boundaries. Projects undertaken by special districts and authorities are generally financed through the issuance of revenue bonds, although in some circumstances special districts may be granted the power to tax.

Current (Pay-as-you-go) Revenue: Pay-as-you-go financing refers to the method whereby improvements are financed from current revenues including general taxes, fees, service charges, special funds, and special assessments.

General Obligation Bonds: Many capital improvement projects are funded by the issuance of general obligation bonds. General obligation bonds are full faith and credit bonds, pledging the general taxing power of the jurisdiction to back the bonds. General obligation bonds can be sold to finance permanent types of improvements such as schools, municipal buildings, parks, and recreation facilities. In some circumstances, voter approval may be required.

Lease/Purchase: Local governments using the lease/purchase method prepare specifications for a needed public works project that is constructed and owned by a private company or authority. The facility is then leased back to the municipality, and the title is conveyed to the municipality at the end of the lease period. The lease period is of such length that the payments retire the principal and interest.

Reserve Funds: In reserve fund financing, funds are pooled in advance to finance an upcoming capital construction or purchase. This pool of funds may be from surplus or earmarked operational revenues, funds in depreciation reserves, or the sale of capital assets.

Revenue Bonds: Revenue bonds are a mechanism used in cases where the project being funded will generate revenue from user fees, such as water or sewer systems. These fees are used to pay for the improvement project. These bonds are not generally subject to statutory debt limitations, as the full faith and credit of the municipal entity do not back these issues. However, some revenue bonds, referred to as “double barreled” revenue bonds, have supplemental guarantees to make the investment more appealing. The interest rate on revenue bonds is generally higher than that for general obligation bonds.

Special Assessments: Community Development projects that more directly benefit certain property owners may be financed in the interest of equity by the use of special assessments. In this method, the directly benefiting property owners are assessed the cost of the improvement based upon applicable formulas and/or policies. Local improvements typically financed by this method include street pavement, sanitary sewers, and water mains.

State and Federal Grants: State and federal grants-in-aid are financing methods that have financed many improvements including street improvements, water and sewer facilities, airports, parks and playgrounds. The costs of these improvements may be paid for entirely by the grant, although in many instances these funds must be leveraged with local funds.

DEBT MANAGEMENT

Derivatives

As required by the debt policy, the City will cautiously plan for the potential use of any derivative products. The City will carefully examine these products (which usually take the form of non-traditional financing structures) on a case-by-case basis with full analytical review of the costs and benefits of the derivative option. The City will only consider derivatives in very specific debt applications, and not as a general rule for basic municipal infrastructure funding. The City does not currently use any derivative products for debt management purposes.

Credit Ratings

One objective of the City's debt policy is to help secure favorable credit ratings in order to minimize borrowing costs and preserve access to the credit markets. In general, a credit rating is an independent summary judgment on the willingness and ability of a debt issuer to make full and timely debt service payments to investors. The City's debt is rated by Moody's Investors Service and Standard & Poors Ratings Services. The City's credit ratings on general obligation bonds are:

- Moody's Investors Service Aaa
- Standard & Poors Ratings Services AAA

Moody's Investors Service made the following comments in October 2021:

- The City of Lenexa, KS's Aaa rating incorporates the sizeable and growing tax base with healthy resident income indices and a significant commercial presence, strong reserves inclusive of capital funds, and a moderate pension burden. The rating also considers the above-median but manageable debt burden and reliance on economically sensitive sales tax revenue.

Standard & Poors Ratings Services maintained its rating of AAA on the City's general obligation bonds. In assigning the AAA rating to the City's general obligation bonds, Standard & Poors made the following comments in October 2021:

- Very strong economy, with access to a broad and diverse metropolitan statistical area (MSA);
- Very strong management, with strong financial policies and practices under our financial management assessment methodology;
- Strong budgetary performance, with operating results that we expect could weaken in the near term relative to fiscal 2020, which closed with operating surpluses in the general fund and at the total governmental fund level in fiscal 2020;
- Very strong budgetary flexibility, with an available fund balance in fiscal 2020 of 83% of operating expenditures;
- Very strong liquidity, with total government available cash at 99.0% of total governmental fund expenditures and 5.2x governmental debt service, and access to external liquidity we consider strong;
- Weak debt and contingent liability profile, with debt service carrying charges at 18.9% of expenditures and net direct debt that is 141.2% of total governmental fund revenue, but rapid amortization, with 67.6% of debt scheduled to be retired in 10 years; and
- Strong institutional framework score.

SUMMARY

The City has adopted a debt policy to ensure that the City is able to make all debt service payments in a timely manner. The City's financial position is favorable, as can be seen by the credit ratings assigned to the City's general obligation bonds. Current debt levels are manageable, and the City's financial reserves remain sufficient. Sound financial policies, including a debt management policy, are in place to maintain the City's financial health in 2023 and beyond. Additional information on the City's current debt service, projected debt service, and debt ratios is presented in the remainder of this section.

DEBT SERVICE

Debt Service Fund - 05

Fund Description

To account for all monies used for the retirement of general obligation bonds (excluding Stormwater bonds). Revenue for debt retirement comes primarily from an ad valorem tax levied on real and personal property.

Core Services

- Debt service expenditures in FY 2023 consist of \$13.1 million in general obligation principal payments and interest payments.
- The projected reserve in the FY 2023 budget is \$4.4 million or approximately 31.3% of budgeted annual debt service and transfers.

DEPARTMENT/FUND BUDGETS

A description of the funds and departments can be found here. A summary of all department expenditures is listed, along with a mission statement, accomplishments, objectives, staffing requirements and major budget changes.

GOVERNING BODY

General Fund – Governing Body – 01010000

Mission Statement

The Mayor and City Council commit to responsible governance and pledge that local decisions will be made in a transparent, thoughtful and inclusive manner. We strive to do the right things for the right reasons guided by core principles.

Accomplishments for 2021

- Decreased the property tax mill levy for the fourth consecutive year.
- Increased satisfaction in nearly every major service category in the 2021 Citizen Survey.
- Welcomed two new City Council members.
- Enhanced the Residential Exterior Grant Program.
- Selected an architect and general contractor for the new Lenexa Justice Center.
- Relunched many of the community events that were postponed during the pandemic.
- Completed the next phase of Complete Streets Study improvements.
- Facilitated over \$311 million in commercial and residential development.
- Completed the first year of a new sidewalk replacement program.

Objectives for 2022/2023

- Determine investment priorities for funds received through the American Recovery Plan (ARPA).
- Complete the Comprehensive Plan review process.
- Launch the Parks & Recreation Master Plan process.
- Commence design and construction of the new Justice Center.
- Promote continued investment in key commercial areas.
- Work with Johnson County on a taxpayer information strategy for the new Revenue Neutral Rate budget process.

Major Budget Changes for FY 2023

- No major budget changes.

EXECUTIVE

General Fund — Executive Department — 01011000

Mission Statement

Enhance the quality of life for those who live in, work in, or visit our community through organizational leadership and by providing exceptional support to the Governing Body.

Core Services

- Professional management of the organization.
- Facilitate community engagement and resident services.
- Promote economic development and redevelopment.
- Guide all City departments in meeting the community's vision through the Governing Body's guiding principles.

Accomplishments for 2021

- Continued to provide superior quality service during a global pandemic.
- Increased satisfaction in nearly every major service category in the 2021 Citizen Survey.
- Welcomed two new City Council members.
- Initiated a process to recruit, interview, and select a new Chief Financial Officer.
- Implemented a new state-mandated "Revenue Neutral Rate" budget process.
- Participated in the Racial Equity In Cities pilot project through United Community Services (UCS).
- Selected an architect and general contractor for the Lenexa Justice Center Project.
- Completed the next phase of Complete Streets Study improvements.
- Planned, approved, permitted, and inspected over \$311 million in commercial and residential development.

Objectives for 2022/2023

- Facilitate onboarding and orientation of new members of the City Council, boards, and commissions.
- Onboard a new Chief Financial Officer.
- Lead the design and construction of the Lenexa Justice Center.
- Navigate substantial changes to the newly-enacted "Revenue Neutral Rate" budget process.
- Assemble and present the 2023-2027 Capital Improvement Plan.

- Conclude the Comprehensive Plan process.
- Launch the Parks & Recreation Master Plan process.
- Formulate an investment strategy for funds received through the American Recovery Plan (ARPA) and identify opportunities for investment through the Infrastructure Investment and Jobs Act (IIJA).
- Assist in relaunching the Learning About Lenexa program.
- Manage the breadth of economic development activity in all areas of the community.

Future Opportunities/Issues

- Complexities surrounding the new budgeting and tax levy process.
- Implementing recommendations from the Comprehensive Plan.
- Keeping compensation and benefits competitive with the labor market.
- Managing the growth and development of new leaders in the organization.
- American Recovery Plan and Infrastructure Investment and Jobs Act funding opportunities.
- Burgeoning growth in western Lenexa.
- Attainable housing.

COMMUNICATIONS

General Fund — Communications Department — 01012000

Mission Statement

Committed to engaging, educating and informing stakeholders by providing relevant, accurate and timely information about City projects, issues and events. Assist departments with strategic communications planning and create Lenexa branded products to support their programs. These efforts help create Lenexa's identity and promote that we are a welcoming and transparent organization.

Core Services

- Create and implement strategic communications and marketing plans to support City programs and events.
- Provide valuable content to target audiences in a timely manner.
- Create and publish our resident magazine, TownTalk.
- Coordinate media relations for the City of Lenexa.
- Manage City's social media accounts, websites and e-newsletters.
- Execute and create advertising campaigns.
- Help create community engagement.
- Promote Lenexa brand by using quality graphic design and photography.
- Monitor stakeholder questions and help get them timely information.

Accomplishments for 2021

- Created six engaging, informative issues of TownTalk.
- Managed citizen DirectionFinder Survey with ETC Institute.
- Worked closely with Finance on the new budget document.
- Worked with reporters to ensure they had accurate information to share about the City.
- Created 161 newsletters and grew subscriber base by 11.24%.
- Published more than 3,000 posts on multiple social media channels with impressive engagement.
- Managed city websites and improved several content sections with updated information.
- Created compelling advertising campaigns for Farmers Market, Public Market, events and programs. Resources also devoted to recruiting campaigns.
- Captured quality photographs throughout the City and managed the volunteer photographer program.

- Created 2021 State of the City video, delivered virtually as there was not an in-person event.

Objectives for 2022/2023

- Create engaging, accurate and timely information for stakeholders.
- Share stories about a wide range of City projects, balancing the messaging priorities of departments we serve. Highlight the quality and benefits of City services and amenities.
- Produce high-quality products which positively reflect the Lenexa brand.
- Drive traffic to Rec Center, Public Market, Farmers Market, festivals and programs.
- Begin implementation of new content management system for websites.
- Maintain an excellent working relationship with reporters.
- Work closely with Finance to update new budget document and share news about the revenue neutral rate process with residents.

Future Opportunities/Issues

- Communicating with a diversified audience seeking information through a variety of platforms.
- Creating long-term strategies for audience retention for amenities, festivals and programs.
- Strategically expanding the use of video to share Lenexa stories.
- Continue exploring ways to effectively deliver Lenexa's messages in an impactful way.
- Mitigating declining trust in institutions and fragmentation of information by continuing to provide proactive, transparent information that is easy to understand and access.

PUBLIC MARKET

General Fund — Public Market — 01015000

Mission Statement

The Lenexa Public Market is a dynamic place where the community connects around food, and local entrepreneurs have an opportunity to launch and grow a business.

Core Services

- Foster entrepreneurship and small business incubation.
- Provide a dynamic place for the community to gather and collaborate around food and local products.

Accomplishments for 2021

- Restructured staff to include two Assistant Market Managers.
- Recruited one new anchor tenant (Cosmo Burger) and one new incubator tenant (The Tasting Room).
- Successfully transitioned several merchants through incubation program, including one to their first standalone space in Westport.
- Reimagined and grew Friday Night Sound Bites.

Objectives for 2022/2023

- Manage merchant turnover and fill any vacant spaces.
- Support merchants through impending growth period.
- Right-size events programming.

Future Opportunities/Issues

- Keeping the space and the mix of merchants and events fresh.
- Increasing professionalism and sophistication among Market merchants.
- Controlling capital item maintenance – repair and/or replacement.
- Implementing a formal small business development program.
- Pursuing more sponsorships.
- Developing and implementing a long-term strategy for The Kitchen.

EXPENDITURE INFORMATION

MUNICIPAL COURT

General Fund – Municipal Court – 01013000

Mission Statement

Dedicated to providing an accessible local forum for fair, efficient, professional, and effective disposition of all matters within its jurisdiction.

Core Services

- Adjudication of violations filed with Municipal Court.
- Maintain and provide accurate records. This includes electronic court files, online record module, and regional criminal history database.
- Report the disposition of cases and the collection of specific fees to various state agencies.
- Assist the public and external agencies with general court and case-specific inquiries and processing.
- Point of contact for external agencies that monitor defendants placed on supervision.
- Provide assistance to the prosecutors in the preparation and maintenance of cases.
- Provide an orderly and secure environment for court users, public, and staff.

Accomplishments for 2021

- Permanently enhanced court operations through electronic strategies first employed on an emergency basis in response to the COVID-19 pandemic.
- In collaboration with the Prosecution Division, conducted an RFQ to select a primary supervision agency.
- Assisted in the selection of architectural and general contractor for the Lenexa Justice Center project.

Objectives for 2022/2023

- Implement a long-term docket schedule that includes both in-person and virtual appearance options.
- Work with the selected architectural firm, City staff and others on the design of the Lenexa Justice Center.

Future Opportunities/Issues

- Manage the planning process for moving to the new Lenexa Justice Center.
- Successfully manage the increasing complexity of cases.
- Successfully manage the change in caseload as the City continues to develop and grow.

- Investigate future staffing needs as caseload and workload grows.

NON-DEPARTMENTAL

General Fund – Non-departmental – 01030000

Activity Description

This activity includes expenditures that are not specific to any one department. This includes the personnel reserve, educational reimbursement allocation and transfers to other funds. Transfers include funding to the Capital Improvement Program and the Equipment Reserve Fund for efficient operation of the City.

Objectives for 2022/2023

- Maintain funds in accordance with reserve policies.
- Provide for cash funding of capital projects.
- Allocate funding for equipment and technology replacement.
- Set aside money acknowledging the City cannot use a portion of the property taxes paid by property owners within the City’s active Tax Increment Financing (TIF) districts for operating costs.

EXPENDITURE INFORMATION			
EXPENDITURE CATEGORY	2021 Actual	2022 Revised Budget	2023 Budget

TOTAL	\$39,362,436	\$33,374,256	\$62,846,754

Major Budget Changes for FY 2023

- Funding for ETC citizen survey.
- Personnel reserve allocation is \$590,000.
- Educational reimbursement funds of \$75,000.
- Transfer to Equipment Reserve fund equals \$1,950,00.
- Transfer to Facilities Maintenance equals \$500,000.
- Allowance for TIF is \$3,878,000.
- Transfers to Capital Improvement fund equal \$18,886,784 consisting of: art funding \$22,000; capital projects \$18,864,784 (funded \$8,523,000 from 3/8 cent sales tax; \$1,748,000 from 1/4 cent county sales/use tax; \$800,000 excise tax; and \$7,793,784 from general revenues).
- General revenue funding includes: \$2,231,000 (1.5 mills) for general capital projects; \$1,201,000 for the Pavement Management Program (.78 mills); \$300,000 for street light replacement; and \$3,632,784 in unallocated funds.

FINANCE

General Fund — Finance — 01100000

Mission Statement

Provide effective stewardship of public funds through the timely and efficient delivery of financial services to citizens, the business community, and the City government.

Core Services

- Prepare annual City operating budget and multi-year financial model.
- Prepare five-year Capital Improvement Program (CIP).
- Prepare annual financial report.
- Manage City investment portfolio and debt issuance.
- Process and account for all payments of City wages, benefits, tax obligations, and vendor invoices.
- Assist retirement committee with oversight of City retirement programs.

Accomplishments for 2021

- Completed fiscal year 2020 annual financial report and external audit.
- Prepared fiscal year 2022 annual budget.
- Implemented new Gravity software for budget document preparation.
- Transferred economic development processes to new position in City Manager's office.

Objectives for 2022/2023

- Prepare annual budget, annual financial report, and five-year CIP.
- Implement new Gravity software to create annual financial report (ACFR).
- Implement GASB 87 accounting standard for leases.
- Onboard new team members.
- Manage financial reporting for American Rescue Plan funds.

Future Opportunities/Issues

- Accounting for complex and numerous development incentives.

- Implementation of new and complex accounting standards.

HUMAN RESOURCES

General Fund — Human Resources Department — 01110000 through 01111011

Mission Statement

Committed to providing exceptional service by recruiting, developing, rewarding and retaining a diverse and professional workforce.

Core Services

- Recruitment and Retention
- Compensation and Benefits
- Compliance
- Policy Development
- Employee Relations
- Training and Performance Management
- Safety and Worker's Compensation
- Employee Recognition and Rewards
- Employee Wellness
- HRIS Technology

Accomplishments for 2021

- Ran the process to select and hire our new Chief Financial Officer.
- Led process to review and select a performance management software vendor, Weekly10. This product will replace the City's currently fragmented and inefficient performance evaluation process with a software platform that engages employees, empowers managers and provides visibility throughout the organization.
- Worked with the IT and Legal departments to select a document management software vendor, PowerDMS, which provides a cloud-based, comprehensive compliance and content management solution for document management.
- Engaged our compensation and benefits vendor, Lockton, to conduct a comprehensive compensation and benefits survey in the fall of 2021. Utilized study data to design and recommend significant changes to our pay plan and benefit offerings. Recommendations were approved by the Management Team and Governing Body in early 2022.

- Researched and prepared a revised, updated version of the City's employee policy manual.
- Partnered with Park University to design and implement an emerging leaders training and development program called "Lenexa Leadership Foundations." The inaugural class of 16 employee participants completed the program in November of 2021.
- Scanned and uploaded all paper files into the ADP digital Doc Cloud application.
- Fully implemented the City's Emergency Evacuation Plan in paper and app form.

Objectives for 2022/2023

- Implement the revised employee policy manual.
- Develop and implement a learning management system called "Essential Learning," a new module in our ADP HRIS system. This system will allow us to develop, assign, track and provide a digital, customized learning solution for our employees.
- Develop and implement an employee advisory group to advise the organization in diversity, equity and inclusion matters.

Future Opportunities/Issues

- Organizational commitment to recruiting and hiring a more racially and ethnically representative workforce.

INFORMATION TECHNOLOGY

General Fund — Information Technology — 01150000 through 01150014

Mission Statement

To provide quality and timely business technology solutions that enhance the City's effectiveness in serving the community. Provide professional systems leadership, vision and assistance to all City departments and provide strategy, research development and implementation of hardware and software.

Core Services

- Deliver excellent customer service by understanding the business needs and providing timely and effective solutions and communicating effectively with all customers.
- Deliver City-wide technology vision and leadership through evaluating existing and emerging technologies and implementing business ready technology solutions.
- Deliver reliable technology infrastructure aligned with business objectives.
- Deliver systems that provide customers with timely, meaningful and secure access to information and services.
- Facilitate educational opportunities for City employees.
- Deliver technology plans that enable fiscal management of the City's resources.

Accomplishments for 2021

- Completed Multi State Information Sharing and Analysis Center (MS-ISAC) Nationwide Cyber Security Review.
- Completed Accela Community Development platform upgrade.
- Completed "Core" network redesign to enhance redundancy, increase bandwidth and replace end of life hardware.
- Developed and documented Cyber Security Incident Response Plan, and participated in Mid America Regional Council virtual cybersecurity exercise.
- Upgraded on-premise email infrastructure to latest server and email operating system versions for security and compatibility enhancements.
- Consolidated all third-party credit card payment systems to a single payment vendor.
- Implemented Vulnerability Management System to scan and alert potential vulnerabilities in our network and server infrastructure.

Objectives for 2022/2023

- Migrate Accela on-premise infrastructure to Accela’s Cloud Infrastructure.
- Complete fiber infrastructure projects to support new Justice Center building initiatives.
- Establish Information Technology Policy and Process framework.
- Continued IT modernization efforts to maintain and secure software and infrastructure resources, including database, desktop, tablet and cell phone refresh.
- Replace City firewall with new hardware. The new firewalls will expand redundancy, provide additional separation to protected networks and diversity network hardware vendors.
- Adopt National Institute of Security and Technology (NIST) password standards and migrate all city employees to this standard.
- Implement and assist Traffic Engineers with City fiber optic inventory and documentation utilizing OSP Insight software.
- Complete cost saving technology migrations for cellular infrastructure and mobile device management systems.

Future Opportunities/Issues

- Maintaining balance between accessible and usable business IT processes and implementing proper security measures around those processes to protect City and citizen data.
- Continue to explore technology opportunities that improve day-to-day work efficiencies while showing an acceptable return on investment.

LEGAL

General Fund — Legal Department — 01180000 through 01181000

Mission Statement

Promote the organization's goals and values by providing excellent legal services with integrity, zeal, accuracy and efficiency through competent, responsive and professional representation.

Core Services

- Furnish legal advice and support to elected and appointed City officials, as well as all City departments.
- Draft contracts, resolutions, ordinances and all other legal documents.
- Prosecute violations of City code including traffic, public offenses and other ordinance infractions, represent the City in municipal court and on subsequent appeals.
- Identify, evaluate and manage property and liability risk exposure for the City and secure adequate insurance to transfer such risk as appropriate.
- Receive, evaluate and administer all property and liability claims within the City deductible and, where appropriate, seek reimbursement from third parties for damage to City property.
- Investigate, defend and prosecute lawsuits involving the City as a named party.

Accomplishments for 2021

- Drafted and negotiated economic development agreements for a significant number of projects including, but not limited to, The Retreat on the Prairie mixed-use development, Meritex Surface Buildings 3, 4, and 5, and the Karbank Office/Warehouse building in the Kansas Commerce Center.
- Worked with the Police Department, Community Development Department, and Parks and Recreation Department to update and revise the City's standard traffic ordinance to reflect recent state legislative changes as well as to appropriately accommodate the public's increased use of e-vehicles on the City's streets, sidewalks, trails and parks.
- Negotiated multiple capital improvement project agreements including, but not limited to, the City of Lenexa Justice Center and the Indian Trails Aquatic Center.
- Updated the City's massage therapy regulations to allow educational opportunities for massage therapy students and revised the solid waste hauler regulations to incorporate industry changes associated with recycling.

- Worked with Community Development to update the City’s Unified Development Code to reflect recommendations in the City’s Complete Streets Plan.
- Assisted Community Standards and Building Codes staff to handle multiple code enforcement cases associated with unsafe structures, which included prosecution in Municipal Court.
- Amended the City Code to allow the operation of homeless shelters in certain zoning districts as well as establishing reasonable regulations to accommodate the impacts of such use.
- Continued to support all City departments and staff in handling the COVID-19 pandemic including, but not limited to, providing virtual municipal court options, advising on Federal, State and County health regulations, and negotiating interlocal and funding agreements with Johnson County.

Objectives for 2022/2023

- Work with the Municipal Court and Police Department to understand and analyze prosecution performance indicators in order to improve positive impacts and outcomes for municipal court cases.
- Continue to work on several ongoing lawsuits and claims as well as pending and new claims against the City.
- Solicit and secure competitive and beneficial insurance brokerage services contracts, obtain favorable insurance renewal rates, and draft a risk management annual report.
- Update and reformat City’s Governing Body and Administrative policies in order to increase their accessibility and reflect current procedures and practices.
- Assist with the City’s multiple capital improvements projects including the Justice Center, Indian Trails Aquatic Center, and Community Center, as well as other projects.
- Continue ongoing and expected economic development work throughout the City including, but not limited to, City Center and the areas adjacent to Ridgeview Road.
- Provide proactive training and legal updates to City departments.

Future Opportunities/Issues

- Address legal implications associated with the First Amendment and commercial uses at various City facilities such as parks and the civic campus.
- Assist with redevelopment of Lenexa along the I-35 corridor including both affordable residential and revitalized commercial areas.
- Explore methods of economically managing the City’s risk through insurance, training, funding and other options such as self-insured retention.
- Analyze how the City will handle the increased demand for government transparency including increasing open records requests, audio and video recordings of meetings, social media coverage and local media coverage.
- Provide training and support to the Police Department on a broad range of legal issues impacting law enforcement in a changing political and social environment.
- Continue to implement technology solutions to increase workload efficiency and contract and document management.

COMMUNITY DEVELOPMENT

General Fund — Community Development Department — 01200000 through 01204000

Mission Statement

Promoting and facilitating the development of high quality public and private built environments to ensure that Lenexa is the best community to live, work and play.

Core Services

- Manage development of infrastructure through the five-year Capital Improvement Program (CIP).
- Perform engineering review and inspection of private development and public infrastructure.
- Perform building code review and inspections for all construction.
- Review and process all zoning, site, plan, Special Use Permit and subdivision applications.
- Enforce property maintenance codes, zoning codes and rental registration.
- Ensure safe and efficient movement of traffic through the City.
- Issue licenses for businesses, animals, liquor sales, alarms, special events, etc.
- Provide technical support to the City Council, Planning Commission and other City departments.
- Provide long-range planning for the City.

Accomplishments for 2021

- Began the process of updating the City's Comprehensive Plan, including providing an update to the City's Future Land Use Map.
- Participated in the United Community Services of Johnson County Housing Study Taskforce.
- Updated the Accela software program, which will improve customer service by automating many of the time-consuming processes staff originally did manually.
- Completed installation of Wayside Horns in Old Town.
- Converted 99% of the City-owned street lights to LED, saving the City over \$400,000 annually.
- Received a five-year reauthorization on the Community Rating System at the level 5, resulting in a 25% discount in flood insurance premiums for Lenexa residents.
- Enacted and implemented an expanded Exterior Grant Program for Lenexa residents.
- Facilitated plan review, permitting and inspection of over \$312 million in development.

Objectives for 2022/2023

- Complete the major update to the Comprehensive Plan.
- Complete an audit of the Unified Development Code and revise as necessary.
- Work with Information Technology to move the Accela permitting software to a cloud-based platform.
- Support City departments in completing capital improvement projects through efficient project management methods.
- Enhance the online presence for business licenses.
- Explore several initiatives related to the City’s stormwater program, including enhancing the City’s sustainable practices in stormwater management and project construction.
- Continue to coordinate with cellular companies on their proliferation of small cell networks.
- Continue to explore climate action initiatives that are relevant to the City’s operations, including potential revisions to the City’s energy codes.
- Provide an educational opportunity for landlords.

Future Opportunities/Issues

- Completing the Comprehensive Plan presents an opportunity to work with private developers to build integrated neighborhoods in undeveloped areas of the city.
- Federal and state policies and mandates have potential to greatly affect local land use and building codes.
- Emerging technology presents opportunities to enhance processes related to building inspection and record keeping.

FIRE DEPARTMENT

General Fund — Fire Department — 01300000 through 01303500

Mission Statement

The Lenexa Fire Department proudly serves our community with professional services through selfless dedication and compassion.

Core Services

- Community risk reduction.
- Emergency medical services.
- Fire suppression.
- Hazardous materials.
- Public education.
- Fire investigation.
- Technical rescue.

Accomplishments for 2021

- Emergency response coverage for Northeast has been bolstered by 24-hour staffing at the Public Safety Complex.
- Completed a digital dashboard project to enhance operational awareness.
- Fire Department Open House reimagined to foster greater community engagement, which was realized with an increased level of attendance.
- Pay adjustments to maintain status as employer of choice in order to retain a highly skilled workforce.
- Actively engaged and participated in public health vaccination efforts.
- Accreditation annual compliance report submission and approval.
- Formalized the volunteer program for retired Lenexa Fire Department members.
- Establishment of departmental honor guard program.
- Deployed resources to Louisiana to support communities impacted by Hurricane Ida.

Objectives for 2022/2023

- Construct a temporary, climate controlled structure, to house an apparatus at the Public Safety Building 24/7.

- Adding additional life-saving medications to our apparatus to further enhance the capabilities of our current Paramedics and their skillset.
- Apply for grant funding to acquire a mobile decontamination unit to reduce carcinogen exposure.
- Complete and publish 2022-2025 Strategic Plan.
- Retain accredited status by the Center for Public Safety Excellence.
- Research and implement enhancements to virtual public education/video messaging.
- Consider organizational structural changes to meet near- and long-term succession planning needs.

Future Opportunities/Issues

- Monitor resource distribution/concentration to ensure effective response coverage.
- Construction of a fire department training center within City of Lenexa.
- Recruitment and retention: employee-centered culture and external salary/benefit competitiveness.
- Continued collaboration and partnerships with county and regional emergency response agencies.
- Continued emphasis on firefighter safety, health, and wellness enhancements.
- Invest in succession planning to prepare internal talent for advancement.
- Improve local training capabilities while leveraging regional/federal programs to support core services.
- Refurbish the fire and life safety trailer education program to provide a more interactive and enhanced educational experience.

CAPITAL IMPROVEMENT PROGRAM & DEBT MANAGEMENT

DEPARTMENT/FUND BUDGETS

NON-BUDGETED FUNDS

GLOSSARY

POLICE

General Fund — Police Department — 01350000 through 01352000

Mission Statement

Working in partnership to protect and serve the community, with honor, integrity and professionalism.

Core Services

- Provide all elements of law enforcement to the community 24/7.
- Provide 24/7 routine and emergency communication services for all City departments.
- Traffic enforcement.
- Community education.
- School safety.
- Proactive community partnerships to prevent crime.
- Criminal investigations.
- Participation in safety enhancement projects with other City departments and area law enforcement agencies.
- Provide records management, report dissemination and secure storage of property and evidence.

Accomplishments for 2021

- One of just four agencies across the United States to be Gold-Certified by CIT International in crisis intervention training and best practices.
- Lexi Blue, a Goldendoodle, joined the Police Department as our Comfort Dog to assist employees, crime victims and individuals involved in traumatic events.
- Published inaugural *Annual Report to Our Community* to share stories, services and statistics with the community.
- Maintained our recruiting efforts via an increase in virtual presentations/events throughout pandemic.
- Backfilled several specialized unit positions which had been left open due to limited staffing levels.
- Social Media awareness presentations to all City staff.
- Presented five Understanding Police Use of Force citizen workshops to community members.

Objectives for 2022/2023

- Work with City staff to continue to evaluate compensation and benefits across all positions to ensure we remain competitive.
- Increase community policing efforts, engagement and transparency.
- Explore computer programs to assist with various facets of sharing updates on calls for service and case information with citizens.
- Continue to produce the annual report to the community.
- Emphasize succession planning for future growth and upcoming retirements.
- Mental health wellness checks for employees.
- Continue fierce recruiting to maintain staffing levels.
- Design Justice Center to meet needs of employees and community.
- Continue to emphasize officer safety and wellness.
- Training and development of Police Department personnel.
- Restructure Community Advisory Board.

Future Opportunities/Issues

- Look to implement creative ways to aggressively recruit the best and brightest employees to the organization. Seek ways to increase diversity.
- Monitor legislative areas of interest.
- Continue to monitor city growth and the added responsibilities and staffing needs to support overall growth in the city.
- Acquisition and application of current and emerging technologies.
- Evaluate staffing needs, supervision levels and span of control.
- Continue to monitor and bridge gaps and services available amongst mental health and homelessness in our community.

GLOSSARY

MUNICIPAL SERVICES

General Fund — Municipal Services Department — 01400000 through 01406000

Mission Statement

Provide the community with outstanding public service by maintaining the City's infrastructure and facilities with integrity and innovation.

Core Services

- Maintain all vehicles and equipment.
- Maintain streets, curb and gutters, sidewalk and rights-of-way and bike/hiking trails.
- Coordinate snow/ice removal and storm-related emergencies.
- Coordinate the implementation of the City's pavement management and sidewalk replacement program.
- Maintain and operate street lights, traffic signs and traffic signals.
- Ensure safe and efficient movement of traffic through the City.
- Maintain City facilities.
- Asset management coordination.

Accomplishments for 2021

- Replaced 15,840 linear feet of sidewalk through the sidewalk repair program.
- Pavement Management Program included 8.6 lane miles of residential roads repaved with UBAS and 44 lane miles of thoroughfares repaved with a 2-inch mill and overlay.
- Pavement Management Program replaced 8,507 linear feet of sidewalk, 3.65 miles of curb and 3,313 linear feet of trail.
- Responded to eight snow and ice events in the 2021/22 winter season.
- Dumpster Days recycled material: 10 tons of e-waste and 20 tons of steel were properly recycled and kept out of the landfill.
- Hosted a successful Truck or Treat community event in October 2021.

Objectives for 2022/2023

- Manage a successful pavement management and sidewalk repair program.
- Hire quality employees to fill vacant positions.
- Establish an in-house concrete repair program.

- Install new plumbing for the College bridge deicing system.
- Engage citizens on activities and projects related to Municipal Services.
- Host a successful Truck or Treat event in fall 2022.
- Complete a City-wide HVAC systems audit.
- Continue to maintain the standards of the ASE Blue Seal certification in fleet shop.
- Finalize our asset management framework.

Future Opportunities/Issues

- Maintenance of aging facilities and infrastructure.
- Hiring and retaining quality staff members.
- Additional lane miles for street maintenance and snow removal.
- Increased amount of square footage of facilities to maintain.
- Keeping up with new technologies in fleet and facilities.
- Focus on succession planning within all divisions for key leadership roles.

PARKS AND RECREATION

General Fund — Parks & Recreation Department — 01500000 through 01509651

Mission Statement

Lenexa Parks and Recreation strengthens the community through exceptional people, programs, facilities and festivals.

Core Services

- Planning and developing parks and facilities that are environmentally sensitive, provide diverse leisure-time opportunities and support the community's vision and desires.
- Providing high-quality, high-impact recreation experiences by organizing, promoting and delivering programs, festivals, events and services to our community.
- Responding to our customers' needs through trust and communication.
- Promoting collaborative efforts and partnerships with other agencies and businesses to help obtain the vision of the community.
- Providing the quality of life for residents, businesses and visitors that make people choose Lenexa as their home and/or place of business.
- Maintain City's landscaped areas including green spaces, gateway and roads.

Accomplishments for 2021

- Successfully navigated the continuing challenges of the COVID-19 pandemic which spiked again in late fall and winter. The spike required reimplantation of some of the COVID-19 protocols including masking, social distancing and limited number of participants in programs.
- Record year of shelter rentals with a total of 847.
- Offered over 905 recreation program sessions serving roughly 11,000 enrollees. We continue to see growth in all areas of recreation.
- Provided over 110 hours of out-of-school programming to keep elementary age children safe and engaged.
- Selected an architect and construction manager for the Indian Trails Aquatic Center renovation. Design is underway.
- Brought back many of our festivals including BBQ (contestants only), Freedom Run, Spinach Festival, Chili Challenge and Sar-Ko Aglow. Looking forward to a full operational festival season for 2022.

- Held a very successful Farmers Market season with over 21,500 attendees. The season extended through the winter with Holiday Market weekends.
- As part of the plant propagation program, staff grew nearly 12,000 plants in-house that were planted in landscape beds located throughout the city. This is a cost savings of nearly \$75,000 versus purchasing from a local nursery.
- The community bike share program which partnered with RideKC saw higher usage compared to similar cities offering bike share programs. By the end of the year, popularity grew enough that users covered 100% of the operating costs for the final quarter.
- Offered 37 different special events including Paws in the Pool, Tiny Tot Tri, Moonlight Bike Ride and many more.
- Partnered with 49 businesses/organizations that provided sponsorship support for a total of \$31,540. \$28,865 were cash donations with the remainder as in-kind donations. Engaged three new sponsors in 2021: Urban Air Adventure Park, Herd Running, LLC, and ArchWell Health.
- The popular annual Senior Holiday Banquet returned as an in-person event and served close to 400 seniors and countless volunteers.
- All three outdoor pools opened for the season and experienced high usage totaling 48,463 visits between the three pools.
- Parks, trails and playgrounds continue to see record usage.
- Successful completion of the Peace Pole Art Project which was nominated for the Kansas Recreation and Parks Association new or innovative program award.
- Rentals started to trend back to pre-pandemic numbers with shelters and Community Center seeing the biggest increases.
- Hung nearly 17 miles of holiday lights that include 90,000 light bulbs on 212 large trees and four buildings.
- Successfully utilized “Goats on the Go” for grazing invasive plant material from a riparian area within Sar-Ko-Par Trails Park. This is an effort to eradicate invasive plants, such as bush honeysuckle and poison-ivy and reestablish these areas with native plant material. This program was extremely successful as both for maintenance and public engagement.
- Revamped and updated our WebTrac program registration website to include a more modern user interface. This not only looks better but allows for easier mobile registration.
- Completed the Aquatics Study Phase 2 – Public Engagement setting road map for future investments in aquatics.

Objectives for 2022/2023

- Complete design and start construction on Community Center and Senior Center renovations.
- Completion of the park design for Cedar Station Park at Mize Lake.
- Complete design and start construction on Skate Park.
- Finalize construction of Disc Golf Course and new parking lot at Black Hoof Park.
- Complete the design for Indian Trails Aquatics renovations.
- Partner with Community Development to include future park trail locations as part of the Comprehensive Plan update.
- Begin work on Parks and Recreation Master Plan update.
- Begin work on next major public art purchase.
- Expand recreational opportunities to compliment current offerings.
- Expand pickleball opportunities by creating a pickleball league at Bois D’Arc Park.
- Establish a disc golf tournament for the new disc golf course at Black Hoof Park.
- Grow our aquatics team to increase swim lessons, aquatic events, and water lifesaving programs.
- Expand adult trip offerings to include more extended travel.
- Partner with Communications to complete the department’s annual marketing plan around services and programming offered.
- Bring community-wide festivals and events back with full capacity and function.
- Work with the Shawnee Mission School District/Johnson County Park & Recreation District on parking logistics for the aquatic events in City Center.

- Grow our sponsorship program for special events, bike share program, Farmers Market and the Lenexa Arts Council activities.
- Continue to identify funding options for the Scholarship Program through fundraising efforts.

Future Opportunities/Issues

- Management of a large menu of CIP projects and onboarding of new improvements.
- Identify funding for needed park improvements (pool renovations, new trails, trail maintenance, future park development).
- Staffing – Recruitment and retention of qualified staff.
- Analyze festivals and events and make adjustments where appropriate in order to provide safe and quality experiences.
- Analyze recreation programs and services and adjust where appropriate in order to provide robust multigenerational program offerings.
- Adjusting to the rising costs of inflation and identifying opportunities to offset costs.

Major Budget Changes for FY 2023

- Additional funding for landscaping and turf supplies to cover the rising costs of supplies such as fertilizer, seed and chemicals.
- Additional funding to cover various supplies for our building services and facilities division used for maintenance throughout our facilities and park and trails system. These include items such as playgrounds, picnic tables, trash cans, drinking fountains, trash bags, restroom supplies, cleaning supplies, etc. and everything needed to maintain them.
- Additional funding for contractual services to cover the continuation of the “Goats on the Go”; facility cleaning services; and new senior trip services.
- Additional funding for the Old Town Activity Center Manager.

FINANCIAL OVERVIEW

CAPITAL IMPROVEMENT PROGRAM & DEBT MANAGEMENT

DEPARTMENT/FUND BUDGETS

NON-BUDGETED FUNDS

GLOSSARY

STORMWATER

Stormwater Fund — 80405000 through 80405550

Mission Statement

Maintain and enhance Lenexa's stormwater management system by implementing innovative and sustainable stormwater management practices.

Core Services

- Operate, inspect, maintain and construct stormwater collection systems, drainage structures, stormwater quality Best Management Practices (BMPs) and stream stabilization, restorations and enhancements.
- Implement stormwater management plan to meet regulatory requirements that address flood control, water quality, public education and protecting the natural environment.
- Coordinate stormwater management activities with other departments and agencies to provide recreational opportunities, limit stormwater impact on street infrastructure and enhance the quality of new construction and redevelopment throughout the City.

Accomplishments for 2021

- Hired a new stormwater superintendent.
- Grew approximately 3,000 native plants in the greenhouse for installation in City-owned stormwater facilities and for BMP Cost Share private rain gardens. Seeds are collected from established plants.
- Removed 680 cubic yards of debris by street sweeping and leaf removal.
- Inspected 79,261 feet of pipe.
- Removed 484 bags of litter out of the City-owned streams and BMPs.
- Successfully continued the prescribed burning program in house where 75-100 acres of native areas were burned.
- 21 storm structures lined in house resulting in a savings of \$60,000 compared to contracting out the work.

Objectives for 2022/2023

- Develop standard operating procedures for pond and wetland dredging program.
- Hire quality employees to fill vacant positions.
- Improve pollution prevention and good housekeeping program.
- Review and update street sweeper operation plan.

- Improve pesticide application program.
- Improve streambank and riparian zone maintenance plan.

Future Opportunities/Issues

- Corrugated Metal Pipe (CMP) replacement.
- Hiring and retaining quality staff.
- Continue to have a positive community outreach program on the benefits for stormwater.
- Maintenance of existing BMPs and infrastructure.
- Maintenance of additional BMPs and infrastructure with continued growth in the community.
- Maintenance of existing roadside ditches.

REC CENTER

Rec Center Fund — 82500000 through 82510000

Mission Statement

Lenexa Parks and Recreation strengthens the community through exceptional people, programs, facilities and festivals.

Core Services

- Offer a variety of quality programs and services for all ages to engage a wide variety of users.
- Provide a safe and affordable place for our community members to recreate, socialize and foster a healthy lifestyle.
- Maintain excellent facilities and services that help our customers live better lives.
- Build and strengthen community through our programs and services.

Accomplishments for 2021

- Successfully navigated our member re-engagement strategies, which resulted in a forty percent increase in memberships.
- Launched our first series of quarterly fitness check-ins as a way for the community to have simple, measurable goals and access to qualified wellness professionals. Outreach events are a great way to engage Rec Center members and the community.
- Managed expenses to ensure we met or exceeded cost recovery goals for the year.
- Hosted seven free community events that included, Yoga by the fireplace, Golden Egg Hunt, Teacher appreciation events, Halloween Scavenger Hunt, and our Selfies with Santa event. These mini-events brought over 1,000 community guests to the Rec Center.
- We experienced several months of record usage by members and day pass users.
- Successfully navigated the continuing challenges of the COVID-19 pandemic which spiked again in late fall and winter. The spike required reimplantation of some of the COVID-19 protocols including masking, social distancing and limited number of participants in programs and fitness classes.

Objectives for 2022/2023

- Continue to hold free community engagement events as an opportunity to stay mentally and physically healthy.

- Continued focus on member retention through our events and services.
- Improvement of Rec Center Member acquisition plan that ensures our membership base continues to meet our revenue objectives.
- Continue to provide Rec Center members with virtual fitness options during winter months to support wellness access from home.
- Develop a strategy to focus on employee engagement around staff retention efforts.
- Continue to replace fitness equipment following the five-year replacement plan.
- Develop a Furniture and Fixture Equipment Replacement Program.

Future Opportunities/Issues

- Continue efforts towards maintaining 100% cost recovery given rising costs with utilities, labor, etc.
- Focus on recruitment and retention of quality team members within our frontline positions. The labor market for these types of positions is limited and competitive.
- Exploring new revenue opportunities through programs and services.

NEIGHBORHOOD REVITALIZATION

Neighborhood Revitalization Fund - 50

Fund Description

To provide for revitalization efforts to improve neighborhoods and continue the City’s reputation as a safe, attractive and friendly community. The incentives encourage property owners to reinvest and increase the assessed value of their properties. The district boundaries are 85th Street on the north, 98th Street on the south, Goddard Street on the east, and Acuff Lane on the west. The district also includes two small portions of the City to the north and south of this area.

Core Services

- Owners of single family homes or duplexes that are approved for the property tax rebate will receive an 85% rebate of the increase in property tax associated with the increased assessed valuation for 10 years. Owners of multi-family residential and commercial properties will generally receive a 75% rebate for 10 years. The City stopped taking new applications for funding in February 2017.

Major Budget Changes for FY 2023

- CID becomes active January 1, 2023.

NON-BUDGETED FUNDS

This section lists the funds of the City of Lenexa that are not budgeted, with a short explanation of each. Also included are listings of uses for the money transfers into the Capital Improvement Fund.

NON-BUDGETED FUNDS

The City’s non-budgeted funds consist of special revenue funds, expendable trust funds and internal service fund types. Typically, these funds are used to account for revenues derived from specific sources, which are designated to finance particular functions or activities of the City. Applicable Kansas statutes require that annual budgets be legally adopted for all funds unless exempted by a specific statute. Control over spending in funds that are not subject to legal budgets is maintained by the use of internal spending limits established by the City.

03 – Lenexa Foundation Fund

To account for monies provided by public donations and restricted contributions.

10 – Capital Improvement Fund (C.I.F.)

To account for monies transferred from the General Fund and any other City funds for the purpose of financing authorized capital improvement projects and expenditures for machinery and equipment. Included in the 2023 budget is a \$19,326,047 transfer to this fund and is distributed as follows:

3/8 Cent Sales Tax: This sales tax will be used for parks/civic projects and the Pavement Maintenance Program.	\$8,523,000
1/4 Cent County Sales/Use Tax: This sales tax will be used for public safety projects.	1,748,000
Capital Projects: These monies will be added to the 2022-2026 CIP to help fund various capital projects.	9,033,047
Art Projects: These monies will be added to the CIF to help fund the purchase of art for the City.	\$22,000

15 – Grants

To account for monies received by various Grants and to fund a specific purpose. (i.e. CARES, Sobriety/Saturation Grant and Special Traffic Enforcement Program).

20 – Law Enforcement Trust Fund

To account for monies received from the confiscation and sale of items seized in drug related offenses.

21 – Legal Trust Fund

To account for monies received from the confiscation and sale of items seized in drug related offenses and also proceeds from certain state grant programs.

73 – Facilities Maintenance Fund

To account for monies transferred from the General Fund and Capital Improvement Fund and reserved for repairs to City buildings. In the 2023 budget, \$500,000 has been allocated to transfer to this fund.

75 – Equipment Reserve Fund

To account for monies transferred from the General Fund and Capital Improvement Fund to provide for level funding of equipment replacements in all City departments. In the 2023 budget, \$1,950,000 has been allocated to transfer to this fund.

85 – Health Plan Fund

To account for the City of Lenexa’s self insured health plan for employees, retirees, and individuals eligible for continued coverage.

86 – Risk Management Fund

To account for monies transferred from the General Fund and reserved for the purpose of paying claims and related costs arising from legal action and settlement.

87 – Workers Compensation Fund

To account for the City’s self-insured workers compensation plan for employees.

90 – Pension Trust Fund

To account for the accumulation of resources for pension benefit payments from the City’s Defined Benefit Pension Plan.

GLOSSARY

This section includes definitions of terms and acronyms used throughout the budget document.

GLOSSARY

ACCOUNTING SYSTEM — The total structure of records and procedures which discover, record, classify, summarize, and report information on the financial position and results of operations of the city government.

A.C.F.R. — (Annual Comprehensive Financial Report) A financial report that encompasses all funds and component units of the government.

ACCRUAL ACCOUNTING — A method of accounting that recognizes the financial effect of transactions, events, and interfund activities when they occur, regardless of the timing of related cash flows.

ADMINISTRATIVE TEAM — The Administrative Team (A-team) is composed of the following positions: City Manager, Deputy City Manager, Assistant City Manager, Assistant to the City Manager, Chief Financial Officer, Deputy Chief Financial Officer, City Attorney, Deputy City Attorney, Community Development Director, Deputy Community Development Director, Fire Chief, Deputy Fire Chief, Fire Division Chief, Human Resources Director, Human Resources Manager, Municipal Services Director, Assistant or Deputy Municipal Services Director, Parks and Recreation Director, Assistant or Deputy Parks and Recreation Director, Police Chief, Deputy Police Chief, Communications Director, Information Technology Director.

APPRAISED VALUATION — The value set upon real estate or other property by the Johnson County Appraiser.

APPROPRIATION — The act of authorizing the expenditure of a designated amount of public funds for a specific purpose.

A.P.W.A. — (American Public Works Association) An international educational and professional association of public agencies, private sector companies, and individuals dedicated to providing high quality public works goods and services.

ASSESSED VALUATION — By law, a fixed percentage of the appraised market valuation as found by the Appraiser.

BALANCED BUDGET — Budget in which projected resources (revenues plus use of fund balance) equal projected expenditures. Applies to each fund appropriated in the City's budget.

BMP — (Best Management Practices) Practices that are determined to be the most technologically or economically feasible means of preventing or managing potential impacts.

BOND — A written promise, generally under seal, to pay a specific sum of money, called the face value, at a fixed time in the future, called the date of maturity, and carrying interest at a fixed rate, usually payable periodically.

BOND INDEBTEDNESS — The portion of a government's debt represented by outstanding bonds.

B.O.Z.A. — (Board of Zoning Appeals) The Board of Zoning Appeals is the body that considers and makes decisions about: appeals of the City's actions in administering the zoning regulations of the Unified Development Code (UDC), variances from the specific requirements of the UDC and exceptions that are specifically authorized by the UDC.

BUDGET — A financial plan, for a specified period, of the governmental operation, that matches all planned revenues and expenditures with the services provided the residents of the city.

CAPITAL ASSETS — Assets of significant value and having a useful life of several years, also called fixed assets. Capital assets includes land, improvements to land, easements, buildings, building improvements, vehicles, machinery, equipment, art and infrastructure. All land will be capitalized, infrastructure will be capitalized if it is valued over \$300,000 and has a useful life of greater than 5 years, and items other than land or infrastructure will be capitalized if it is valued over \$10,000 for Governmental funds, and \$5,000 for Enterprise funds and has a useful life of greater than 2 years.

CAPITAL EXPENDITURES — An expenditure that results in the acquisition of or addition to fixed assets (capital assets).

CAPITAL IMPROVEMENTS — Expenditures related to the acquisition, expansion or rehabilitation of an element of the government’s physical plant, sometimes referred to as infrastructure.

CAPITAL OUTLAY — Fixed assets that have a value of \$10,000 or more and have a useful economic lifetime of more than one year; or, assets of any value if the nature of the item is such that it must be controlled for custody purposes as a fixed asset.

CAPITAL PROJECT — Major construction, acquisition, or renovation activities which add value to a government’s physical assets or significantly increase their useful life, also called capital improvements.

C.A.R.S. — (County Assisted Road System) A program which provides funds to the cities of Johnson County to construct and maintain their major arterials.

CASH BASIS LAW — A statute that requires that cash be on hand before incurring an obligation.

C.D.B.G. — (Community Development Block Grant) A grant provided by Department of Housing and Urban Development (HUD) to serving low- to moderate-income residents throughout the County.

C.D.L. — (Commercial Drivers License) A license that meets certain “standards” that are the same for every state and that is required to drive certain kinds of commercial vehicles.

C.I.F. — (Capital Improvement Fund) A fund that accounts for monies transferred from the General Fund and any other city funds for the purpose of financing authorized capital improvement projects and expenditures for machinery and equipment.

C.I.P. — (Capital Improvement Program) A plan that serves as a guide for the efficient and effective provision of public facilities, outlining timing and financing schedules of capital projects for a five year time period.

COMMODITIES — Expendable items that are consumable or have a short life span. Examples include office supplies, gasoline, minor equipment, and asphalt.

COMMUNITY IMPROVEMENT DISTRICT (CID) — Established to encourage and promote economic development, tourism and community investment within a defined CID area. A CID Project should provide public benefits such as strengthening economic development and employment opportunities; reducing blight, enhancing tourism; upgrading older real estate through redevelopment or rehabilitation; or promoting sustainability. Public financing is achieved by levying and collecting special assessments and/or a CID sales tax on property in the District.

CONTINGENCY — A budgetary reserve set aside for emergencies or unforeseen expenditures not otherwise budgeted.

C.O.P.S. — (Community Oriented Policing Services) A grant provided to local law enforcement agencies to advance community policing.

D.A.R.E. — (Drug Awareness Resistance Education) A police officer-led series of classroom lessons that teaches children how to resist peer pressure and live productive drug and violence-free lives.

DEBT SERVICE — The cost of paying principal and interest on borrowed money according to a predetermined payment schedule.

DEBT SERVICE FUND — A fund established to account for the accumulation of resources for, and the payment of, long-term principal and interest.

DEPARTMENT — A major administrative organizational unit of the City that indicates overall management responsibility for one or more activities.

DEPRECIATION — Expiration in the service life of capital assets attributable to wear and tear, deterioration, action of the physical elements, inadequacy or obsolescence.

DERIVATIVE — Contract whose value depends on, or derives from, the value of an underlying asset, reference rate or index.

DIVISION — A distinct subsection of a department that also indicates a separation of management responsibility.

D.U.I. — (Driving Under the Influence) The act of operating a motor vehicle after having consumed alcohol or other drugs, to the degree that mental and motor skills are impaired.

EMPLOYEE BENEFITS — Contributions made by a government to meet commitments or obligations for employee fringe benefits. Included are the government's share of costs for social security and the various pension, medical, and life insurance plans.

ENCUMBRANCE — The commitment of appropriated funds to purchase an item or service. To encumber funds means to set aside or commit funds for a specified future expenditure, to a specific vendor.

ENTERPRISE FUND — An enterprise fund is used to account for the acquisition, operation, and maintenance of governmental facilities and services that are predominantly self-supporting through user charges. The City currently has two enterprise funds- Stormwater and Rec Center Fund.

EXPENDITURES — A decrease in the net financial resources of the city due to the acquisition of goods and services.

EXPENSE — Charges incurred (whether paid immediately or unpaid) for operations, maintenance, interest or other charges.

F.H.W.A. — (Federal Highway Administration) Provides Federal financial resources and technical assistance to State and local governments for constructing, preserving, and improving the National Highway System.

FIDUCIARY FUNDS — A category of funds used to report assets held in a trustee or agency capacity for others and which therefore cannot be used to support the government's own programs.

FISCAL YEAR — A twelve-month period to which the annual budget applies. (The City of Lenexa's fiscal year is from January 1 to December 31.)

F.T.E. — (Full Time Equivalent) Personnel numbers are represented in full time equivalents. One full time equivalent generally equates to 2,080 hours per year.

FULL FAITH AND CREDIT — A pledge of the general taxing power of a government to repay debt obligations.

FUNCTION — A group of related activities aimed at accomplishing a major service or regulatory program for which a government is responsible. (Example: Governmental Administration.)

FUND — An accounting entity with a self-balancing set of accounts that record financial transactions for a specific government activity or function.

FUND BALANCE — Net position of a governmental fund (difference between assets, liabilities, deferred outflows of resources, and deferred inflows of resources).

G.A.A.P. — (Generally Accepted Accounting Principles) Uniform minimum standards for financial accounting and recording, encompassing the conventions, rules, and procedures that define accepted accounting principles.

G.A.S.B. — (Governmental Accounting Standards Board) The authoritative standard setting body for state and local governments.

GENERAL FUND — This is the general operating fund of a city. The revenues and expenditures associated with all services traditionally associated with local governments are accounted for in this fund, except for those services that are required to be accounted for in some other fund.

GENERAL OBLIGATION BONDS — (G.O. Bonds) Bonds that finance a variety of public projects that pledge the full faith and credit of the city.

G.F.O.A. — (Government Finance Officers Association) An association of public finance professionals that plays a major role in the development and promotion of GAAP for state and local governments.

GOAL — A statement of broad direction, purpose or intent based on the needs of the community.

GOVERNMENTAL FUND — Funds generally used to account for tax-supported activities. There are five different types of governmental funds: the general fund, special revenue funds, debt service funds, capital projects funds, and permanent funds.

GRANTS — Contributions or gifts of cash or other assets from another governmental unit (typically state or federal) to be used or expended for a specified purpose or activity.

INTERFUND TRANSFERS — Amounts transferred from one fund to another.

INTERGOVERNMENTAL REVENUES — Funds received from federal, state and other local government sources in the form of grants, shared revenues, and payments in lieu of taxes.

I.R.B. — (Industrial Revenue Bonds) Bonds issued by a governmental agency to finance acquisition and construction of industrial, commercial and industrial properties on behalf of private businesses.

K.D.H.E. — (Kansas Department of Health and Environment) The State Department responsible for protecting the health and environment of all Kansans.

K.D.O.T. — (Kansas Department of Transportation) The State Department, which provides for a statewide transportation system.

KORA — Kansas Open Records Act

KOMA — Kansas Open Meetings Act

LEGAL DEBT MARGIN — The current statutory debt limit for all Kansas cities pursuant to K.S.A. 79-5037 is 30% of assessed valuation including the motor vehicle valuation.

LEVY — To impose taxes for the support of government activities.

LINE ITEM — An individual expenditure category listing in the budget. (Example: salary, supplies, contractual services, etc.)

LONG TERM DEBT — Debt with a maturity of more than one year after the date of issuance.

M.A.R.C. — (Mid America Regional Council) An association that serves city and county governments and the metropolitan planning organization for the bi-state Kansas City region.

MAJOR FUND — Funds whose revenues, expenditures, assets or liabilities are at least 10 percent of corresponding totals for all governmental or enterprise funds and at least 5 percent of the aggregate amount for all governmental and enterprise funds for the same item. The General Fund is always considered a major fund.

MANAGEMENT TEAM — The Management Team is composed of the following positions: City Manager, Deputy City Manager, Assistant City Manager, Chief Financial Officer, City Attorney, Community Development Director, Fire Chief, Human Resources Director, Municipal Services Director, Parks and Recreation Director, Police Chief, Communications Director and the Information Technology Director.

MILL — The property tax rate that is based on the valuation of property. A tax rate of one mill produces one dollar of taxes on each \$1,000 of assessed property valuation.

MODIFIED ACCRUAL ACCOUNTING — A basis of accounting in which revenues are recognized in the accounting period when they become available and measurable. Expenditures are recognized in the accounting period in which the fund liability is incurred.

OBJECTIVE — A statement of specific direction, purpose or intent based on the needs of the community and the goals established for a specific program.

OBJECT OF EXPENDITURE — An expenditure classification, referring to the lowest and most detailed level of classification, such as salaries, office supplies and furniture.

ORGANIZATION (ORG) CLASSIFICATION — Expenditure classification according to the specific lines of work performed by the organizational units.

PERFORMANCE INDICATORS — Quantitative and/or qualitative objective measurement of results by a department or division, which helps to determine effectiveness in meeting goals and objectives.

PERSONAL SERVICES — Expenditures for salaries, wages, and fringe benefits of a governments employees.

P.M.P. — (Pavement Maintenance Program) A program funded to maintain quality roadways in the city. The primary source of funding in the Special Highway Fund (gas tax).

PRIF — (Parks and Recreation Impact Fee) Funds set up to account for money provided by park impact fees imposed on new development and expended on parks and recreation facilities and public art.

RESERVES — An account used to indicate that a portion of a fund balance is restricted or set aside for emergencies or unforeseen expenditures not otherwise budgeted.

RESOURCES — Total amounts available for appropriation including estimated revenues, fund transfers, and beginning balances.

REVENUES — Funds that the government receives as income. It includes such items as tax payments, fees from specific services, receipts from other governments, forfeitures, grants, shared revenues, and interest income.

REVENUE NEUTRAL TAX RATE — Kansas statute defines this as the mill levy required to raise the same amount of property tax revenue as the prior year using current year assessed valuation amounts.

R.O.W. — (Right of Way) A type of easement that gives someone the right to travel across property owned by another person or entity.

S.M.A.C. — (Stormwater Management Advisory Council) SMAC is an advisory group that reviews recommendations of the Stormwater Management Program and makes recommendations to the Johnson County Board of Commissioners for Stormwater Management.

SPECIAL ASSESSMENTS — A compulsory levy made against certain properties to defray a part of the cost of a specific improvement, such as street paving, curb and gutter replacement, sanitary sewers, etc., which are deemed to primarily benefit those properties.

SPECIAL REVENUE FUNDS — These funds are used to account for revenues derived from specific taxes, governmental grants or other revenue sources, which are designated to finance particular functions or activities of the city.

TAX LEVY — The total amount to be raised by general property taxes for the purposes specified in the approved city budget.

TAX RATE — The amount of tax levied for each \$1,000 of assessed valuation.

T.I.F. — (Tax Increment Financing) TIF is a tool, which uses future increases in tax revenues to finance the current improvements that will create those gains. When a public project such as a road, is built, there is an increase in the value of surrounding real estate and often-new investment (new or rehabilitated buildings, for example). This increased site value and investment creates more taxable property, which increases tax revenues. The increased tax revenues are the “tax increment.” Tax Increment Financing dedicates that increased revenue to finance debt issued to pay for the project.

T.I.P. — (Transportation Improvement Program) Funds set up to account for monies provided by traffic impact fees imposed on new development and expended on transportation operational improvements.

TRANSFERS IN/OUT — Amounts transferred from one fund to another to assist in financing the services for the recipient fund.

U.D.C. — (Unified Development Code) The portion of the Lenexa Municipal Code that deals with Unified Development Code is Title 4. This includes Zoning Ordinances and Subdivision Ordinance or Subdivision Regulations.
